CHAPTER NO. 6

AN ACT TO GENERALLY REVISE THE LAWS RELATING TO ESTATES, TRUSTS, AND FIDUCIARY RELATIONSHIPS; AND REPEALING SECTIONS 91-104.1, 91-104.2, 91-219, 91-519, 91-523, AND 91-4312, R.C.M. 1947.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 72-2-305, MCA, is amended to read:

"72-2-305. Who may witness — effect of witness by beneficiary. (1) Any person generally competent to be a witness may act as a witness to a will.

(2) A will is not invalid because the will is signed by an interested witness.

(3) All beneficial devises made in any will to a subscribing witness thereto are void unless there are two other competent subscribing witnesses to the same, but a mere charge on the estate of the testator does not prevent his creditors from being competent witnesses to his will.

(4) If a witness to whom any beneficial devise void under *subsection (3)* is made would have been entitled to any share of the estate of the testator if the testator had died intestate, such witness succeeds to so much of the share as would be distributed to him under intestate succession, not exceeding the devise or bequest made to him in the will."

Section 2. Section 72-3-309, MCA, is amended to read:

"72-3-309. Testimony of attesting witnesses in contested cases — presumptions for self-proved will. (1) If evidence concerning execution of an attested will which is not self-proved is necessary in contested cases, the testimony of at least one of the attesting witnesses, if within the state *and* competent and able to testify, is required. Due execution of an attested or unattested will may be proved by other evidence.

(2) If the will is self-proved, compliance with signature requirements for execution is conclusively presumed and other requirements of execution are presumed, subject to rebuttal, without the testimony of any witness, upon filing the will and the acknowledgment and affidavits annexed or attached thereto, unless there is proof of fraud or forgery affecting the acknowledgment or affidavit."

Section 3. Section 72-3-803, MCA, is amended to read:

HeinOnline -- 1979 vol. I 7 1979

"72-3-803. Nonclaim — limitations on presentation of claims — exceptions. (1) *With the exception of claims for taxes and claims founded on tort, all* claims against a decedent's estate which arose before the death of the decedent, including claims of the state and any subdivision thereof, whether due or to become due, absolute or contingent, liquidated or unliquidated, founded on contract or other legal basis, if not barred earlier by other statute of limitations, are barred against the estate, the personal representative, and the heirs and devisees of the decedent unless presented as follows:

(a) within 4 months after the date of the first publication of notice to creditors if notice is given in compliance with 72-3-801, provided claims barred by the nonclaim statute at the decedent's domicile before the first publication for claims in this state are also barred in this state; or

(b) within 3 years after the decedent's death if notice to creditors has not been published.

(2) *With the exception of claims for taxes and claims founded on tort, all* claims against a decedent's estate which arise at or after the death of the decedent, including claims of the state and any subdivision thereof, whether due or to become due, absolute or contingent, liquidated or unliquidated, founded on contract or other legal basis, are barred against the estate, the personal representative, and the heirs and devisees of the decedent unless presented as follows:

(a) a claim based on a contract with the personal representative, within 4 months after performance by the personal representative is due;

(b) any other claim, within 4 months after it arises.

(3) Nothing in this section affects or prevents:

(a) any proceeding to enforce any mortgage, pledge, or other lien upon property of the estate; or

(b) to the limits of the insurance protection only, any proceeding to establish liability of the decedent or the personal representative for which he is protected by liability insurance."

Section 4. Section 72-3-916, MCA, is amended to read:

"72-3-916. Distribution to trustee — registration — bond. (1) Before distributing to a trustee, the personal representative may require that the trust be registered, if the state in which it is to be administered provides for registration, and that the trustee inform *in writing* the *current* beneficiaries *and, if possible, one or more persons who under 72-1-303 may represent beneficiaries with future interests of his name and address and provide each with a copy of the terms of the trust which describe or affect his interest and with relevant information about the assets of the trust and the particulars relating to the administration.*

(2) If the trust instrument does not excuse the trustee from giving bond, the personal representative may petition the appropriate court to require that the trustee post bond if he apprehends that distribution might

HeinOnline -- 1979 vol. I 8 1979

jeopardize the interests of persons who are not able to protect themselves, and he may withhold distribution until the court has acted.

(3) No inference of negligence on the part of the personal representative shall be drawn from his failure to exercise the authority conferred by subsections (1) and (2)."

Section 5. Section 72-5-414, MCA, is amended to read:

"72-5-414. Resignation or removal of conservator for cause — successor conservator. The court may remove a conservator for good cause, upon notice and hearing, or accept the resignation of a conservator. *After his death, resignation, or removal, the court may appoint another conservator.* A conservator so appointed succeeds to the title and powers of his predecessor."

Section 6. Section 72-5-422, MCA, is amended to read:

"72-5-422. Power of court to authorize particular protective arrangements or transactions without appointing conservator. (1) If it is established in a proper proceeding that a basis exists as described in 72-5-409 for affecting the property and affairs of a person, the court without appointing a conservator may authorize, direct, or ratify any transaction necessary or desirable to achieve any security, service, or care arrangement meeting the foreseeable needs of the protected person. Protective arrangements include but are not limited to:

(a) payment, delivery, deposit, or retention of funds or property;

(b) sale, mortgage, lease, or other transfer of property;

(c) entry into an annuity contract, a contract for life care, a deposit contract, *or* a contract for training and education; or

(d) addition to or establishment of a suitable trust.

(2) When it has been established in a proper proceeding that a basis exists as described in 72-5-409 for affecting the property and affairs of a person, the court without appointing a conservator may authorize, direct, or ratify any contract, trust, or other transaction relating to the protected person's financial affairs or involving his estate if the court determines that the transaction is in the best interests of the protected person.

(3) Before approving a protective arrangement or other transaction under this section, the court shall consider the interests of creditors and dependents of the protected person and, in view of his disability, whether the protected person needs the continuing protection of a conservator. The court may appoint a special conservator to assist in the accomplishment of any protective arrangement or other transaction authorized under this section who, *upon appointment, has* the authority conferred by the order and *serves* until discharged by order after report to the court of all matters done pursuant to the order of appointment."

conservator vests in *him* title as trustee to all property of the protected person presently held or thereafter acquired, including title to any property theretofore held for the protected person by custodians or attorneys-in-fact.

(2) The appointment of a conservator is not a transfer or alienation within the meaning of general provisions of any federal or state statute or regulation, insurance policy, pension plan, contract, will, or trust instrument imposing restrictions upon or penalties for transfer or alienation by the protected person of his rights or interest, but this section does not restrict the ability of persons to make specific provision by contract or dispositive instrument relating to a conservator."

Section 8. Section 72-10-101, MCA, is amended to read:

"72-10-101. No requirement for orders and judgments to recite jurisdictional facts. Section 9. Section 72-10-104, MCA, is amended to read:

"72-10-104. Service on guardian equivalent to service on ward interested in estate. Whenever *a minor, mentally ill,* or incompetent person has a guardian of his estate residing in this state, personal service upon the guardian of any process, notice, or order of the court or judge concerning the estate of a deceased person in which the ward is interested is equivalent to service upon the ward, and the guardian *shall* attend to the interests of the ward in the matter. Such guardian may also appear for his ward and waive any process, notice, or order to show cause which an adult or a person of sound mind might do."

Section 10. Section 72-10-107, MCA, is amended to read:

(2) In relation to property other than estates, title *is* presumed to have failed whenever the owner, beneficial owner, or person entitled to any such property within this state *remains* unknown for a period of 20 successive years, and during such period whenever the whereabouts of such owner, beneficial owner, or *person remains* unknown and during such period whenever any personal property wherever situated *remains* unclaimed, then in such event such personal property *escheats* to the state."

CHAPTER NO. 8

AN ACT TO REVISE THE LAW RELATING TO CONDEMNATION; AMENDING SECTIONS 70-30-207 AND 70-30-305, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 70-30-207, MCA, is amended to read:

"70-30-207. Appointment of commissioners — qualifications — affidavit. (1) Immediately upon making and entering the preliminary condemnation order, the judge must meet with the respective parties or their attorneys of record for the purpose of appointing condemnation commissioners to ascertain and determine the amount to be paid by the plaintiff to each owner or other persons interested in such property by reason of the appropriation of such property. *The appointment of condemnation commissioners and the commission hearing may be waived by written consent of both parties, in which case the proceeding shall be conducted in the district court as if the case had been appealed from an award by such commissioners.*

(2) The court must thereupon appoint three qualified, disinterested condemnation commissioners, *unless appointment has been waived.* One of such commissioners shall be nominated by the party or parties plaintiff. One of such commissioners shall be nominated by the party or parties defendant. The third commissioner shall be the chairman and shall be nominated by the two commissioners previously nominated. However, if said two commissioners fail to make such choice at the time of their appointment, then such nomination shall be made by the presiding judge.

(3) Each commissioner shall possess the following qualifications:

(a) a citizen of the United States and over 18 years of age;

(b) that he is not more than 70 years of age;

(c) that he is in possession of natural faculties, of ordinary intelligence, and not decrepit;

(d) that he is possessed of sufficient knowledge of the English language;

(e) that he was assessed on the last assessment roll of a county within the judicial district in which the action is pending;

(f) that he has not been convicted of malfeasance in office or any felony or other high crime;

(g) that he is not related within the sixth degree to any party;

(h) that he does not stand in the relation of guardian and ward, master and servant, debtor and creditor, or principal and agent or partner or surety as to any party.

(4) At the time of such meeting and nominations, there shall be filed with the court by each nominating party or judge an affidavit of the person so nominated stating substantially as follows:

(a) that he has formed no unqualified opinion or belief as to the compensation to be awarded in the proceeding or as to the fairness or unfairness of the plaintiff's offer for the lands and improvements of the defendants;

If at any time prior to 10 days before trial the condemnee serves written notice that the offer is accepted, either party may then file the offer and notice of acceptance, together with proof of service thereof, and thereupon judgment shall be entered. An offer not accepted shall be deemed withdrawn and evidence thereof is not admissible at the trial except in a proceeding to determine costs. The fact that an offer is made but not accepted does not preclude a subsequent offer.

(2) In the event of litigation and when the private property owner prevails by receiving an award in excess of the final offer of the condemnor, the court shall award necessary expenses of litigation to the condemnee."

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 82-11-101, MCA, is amended to read:

"**82-11-101. Definitions.** As used in this chapter, unless the context requires otherwise, the following definitions apply:

(1) "Board" means the board of oil and gas conservation provided for in 2-15-3303.

(2) "Department" means the department of natural resources and conservation provided for in Title 2, chapter 15, part 33.

(3) "Determinations" means those decisions delegated to the state by or under authority of the Natural Gas Policy Act of 1978 or any successor or similar legislation relating to oil and gas.

(4) "Enhanced recovery" means the increased recovery from a pool achieved by artificial means or by the application of energy extrinsic to the pool; such artificial means or application includes pressuring, cycling, pressure maintenance, or injection into the pool of any substance or form of energy as is contemplated in secondary recovery and tertiary programs but does not include the injection in a well of a substance or form of energy for the sole purpose of aiding in the lifting of fluids in the well or stimulating of the reservoir at or near the well by mechanical, chemical, thermal, or explosive means.

(5) "Field" means the general area underlaid by one or more pools.

(6) "Gas" means all natural gases and all other fluid hydrocarbons as produced at the wellhead and not defined as oil in subsection (6) of this section.

(7) "Oil" means crude petroleum oil and other hydrocarbons regardless of gravity which are produced at the wellhead in liquid form by ordinary production methods and which are not the result of condensation of gas before or after it leaves the reservoir.

(8) "Owner" means the person who has the right to drill into and produce from a pool and to appropriate the oil or gas he produces therefrom either for himself or others or for himself and others, and the term includes all persons holding such authority by or through him.

(9) "Person" means any natural person, corporation, association, partnership, receiver, trustee, executor, administrator, guardian, fiduciary, or other representative of any kind and includes any agency or instrumentality of the state or any governmental subdivision thereof.

(10) "Pool" means an underground reservoir containing a common accumulation of oil or gas or both; each zone of a structure which is completely separated from any other zone in the same structure is a pool, as that term is used in this chapter.

(11) "Producer" means the owner of a well or wells capable of producing oil or gas or both.

(12) "Waste" means:

(a) physical waste, as that term is generally understood in the oil and gas industry;

(b) the inefficient, excessive, or improper use of or the unnecessary dissipation of reservoir energy;

(c) the location, spacing, drilling, equipping, operating, or producing of any oil or gas well or wells in a manner which causes or tends to cause reduction in the quantity of oil or gas ultimately recoverable from a pool under prudent and proper operations or which causes or tends to cause unnecessary or excessive surface loss or destruction of oil or gas; and

(d) the inefficient storing of oil or gas. (The production of oil or gas from any pool or by any well to the full extent that the well or pool can be produced in accordance with methods designed to result in maximum ultimate recovery, as determined by the board, is not waste within the meaning of this definition.)"

Section 2. **Role of board in implementation of national gas policy.** The board is designated as the state jurisdictional agency for purposes of the Natural Gas Policy Act of 1978 or any successor or similar legislation relating to oil and gas.

Section 3. **Appointment of examiners.** The board shall designate one or more examiners to make determinations as defined in 82-11-101. To be appointed as an examiner, an individual must possess a degree in petroleum engineering or geology.

Section 4. **Procedure to make determinations.** (1) The board shall adopt rules to govern the making of determinations. These rules shall be adopted pursuant to the Montana Administrative Procedure Act, but

HeinOnline -- 1979 vol. I 72 1979

(2) Any determination made by an examiner under this section and [section 3] shall be reviewed by the board upon request of two members of the board. The review by the board is subject to the notice and hearing but not the appeal provisions of the contested case procedures of the Montana Administrative Procedure Act. The request for review must be made within 20 days after an examiner makes a determination. If no request for a review is made during this 20-day period, the examiner's determination is considered to be the determination of the board and the determination, together with the accompanying record, shall be forwarded to the federal energy regulatory commission for review. If a review by the board is requested, the board shall forward the final determination to the federal energy regulatory commission.

Section 5. **Public access.** All applications for a determination and all determinations made pursuant to [sections 3 and 4] shall be made available for public inspection at the Billings and Helena offices of the board.

Section 6. Section 82-11-141, MCA, is amended to read:

"82-11-141. Administrative procedure. (1) *Unless otherwise provided, the* Montana Administrative Procedure Act applies to this chapter.

(2) An order or amendment thereof, except in an emergency, may not be made by the board without a public hearing upon at least 10 days' notice. The public hearing shall be held at such time and place as may be prescribed by the board, and any interested person is entitled to be heard.

(3) When an emergency requiring immediate action is found to exist, the board may issue an emergency order without advance notice or hearing which shall be effective upon promulgation. An emergency order may not remain in effect more than 15 days.

(4) If notice is required by the chapter and the Montana Administrative Procedure Act does not apply, the notice shall be made by publication in one or more issues of a newspaper in general circulation in Helena and a newspaper of general circulation in the county where the land or some part thereon is situated, and the board may also cause publication to be made in a trade journal or bulletin of general circulation in the oil and gas industry in the state.

(5) Proof of service by publication under subsection (4) shall be made by the affidavit of the printer or publisher of the newspaper, trade journal, or bulletin in which the notice is published or by a foreman or principal clerk of the newspaper, bulletin, or trade journal.

(6) Except as provided otherwise in this chapter, the board may act upon its own motion or upon the petition of an interested person. On the filing of a petition concerning a matter within the jurisdiction of the board, the board shall promptly fix a date for a hearing thereon and shall cause notice of the hearing to be given. The hearing shall be held without

HeinOnline -- 1979 vol. I 73 1979

undue delay after the filing of the petition. The board shall enter its order within 30 days after the hearing."

Section 7. **Codification.** It is intended that sections 2 through 5 be codified as an integral part of Title 82, chapter 11, part 1, and the provisions of Title 82, chapter 11, part 1, apply to sections 2 through 5.

Section 8. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. Section 7. Section 80-5-202, MCA, is amended to read:

"**80-5-202. Licensing — issuance — application — fee — bonding — insurance.** (1) All seed processing plants, seed labelers, seed buyers, and public agricultural seed warehouses shall obtain a license from the department before doing business in this state; however, a Montana certified seed grower, when processing or labeling certified seed from his own production, is not required to be licensed under this section. Bin-run seed sales from one farmer to another are exempt from this part.

(2) All licenses are issued on a fiscal-year basis and expire on June 30 of each year. A license may cover any or as many as all four activities: processing plant, seed labeler, seed buyer, and public agricultural seed warehouse.

(3) Application for license is made in a manner and on forms provided by the department. A nonresident shall file a written power of attorney designating the secretary of state as his agent, and the power of attorney shall be so prepared and in such form as to render effective the jurisdiction of the courts of the state of Montana over the nonresident applicant. A nonresident who has a duly appointed resident agent upon whom process may be *served* as provided by law is not required to designate the secretary of state as his agent. The department shall be furnished with a certified copy of the designation of the secretary of state or of a resident agent.

(4) The department may establish by rule minimum standards for equipment and handling procedures for facilities to be licensed and may carry out inspections during normal business hours to determine that these standards are being adhered to.

(5) Each license shall cost no more than $50 a year. The department may by rule establish license fees which bear a reasonable relationship to the cost of administering this part.

(6) Failure on the part of a licensee to comply with the rules issued under the authority of this section is sufficient cause for cancellation of a

HeinOnline -- 1979 vol. I 76 1979

license by the department, provided the licensee is given a reasonable opportunity to correct inadvertent and nonrecurring deficiencies.

(7) The department may by rule establish bonding and insurance requirements for each class of license."

Section 8. Section 80-5-206, MCA, is amended to read:

"80-5-206. Rules — promulgated by department. The department is authorized to promulgate necessary rules as authorized by this part. All rules are *to be* promulgated in accordance with procedures as set forth in the Montana Administrative Procedure Act."

Section 9. Section 80-8-202, MCA, is amended to read:

"80-8-202. Prohibited acts. (1) It *is* unlawful for any person to distribute, sell, or offer for sale within this state or deliver for transportation or transport in intrastate commerce between points within this state any of the following:

(a) any pesticide which has not been registered pursuant to the provisions of 80-8-201 or any pesticide if any of the claims made for it or any of the directions for its use differ in substance from the representations made in connection with its registration or if the composition of a pesticide differs from its composition as represented in connection with its registration or if registration or reregistration has been refused, revoked, canceled, or suspended. The department of agriculture may allow a change in the labeling or formula of a pesticide within a registration period without requiring reregistration of the *product* when such change does not adversely affect the product for its intended use and if proper application therefor is made.

(b) any pesticide unless it is in the registrant's or the manufacturer's unbroken immediate container and there is affixed to such container and to the outside container or wrapper of the retail package, if there be one, through which the required information on the immediate container cannot be clearly read, a label bearing:

(i) the name and address of the manufacturer, registrant, or person for whom manufactured;

(ii) the trade and chemical name, brand, or trademark under which said article is sold;

(iii) the net weight or measure of the content, subject to such reasonable variations as the department may permit;

(c) any pesticide which contains any substance or substances in quantities highly toxic to man, determined as provided in 80-8-105, unless the label shall bear, in addition to any other matter required by this chapter:

(i) the skull and crossbones;

(ii) the word "poison" prominently in red on a background of distinctly contrasting color;

(iii) a statement of an antidote for the pesticide;

HeinOnline -- 1979 vol. I 77 1979

(d) the pesticides commonly known as standard lead arsenate, basic lead arsenate, calcium arsenate, magnesium arsenate, zinc arsenate, zinc arsenite, sodium fluoride, sodium fluosilicate, and barium fluosilicate unless they have been distinctly colored or discolored, as provided by regulations issued in accordance with this chapter, or any other white powder pesticide which the department, after investigation of and after public hearing on the necessity for such action for the protection of the public health and the environment and the feasibility of such coloration or discoloration, shall by regulations require to be distinctly colored or discolored, unless it has been so colored or discolored. The department may exempt any pesticide to the extent that it is intended for a particular use from the coloring or discoloring required or authorized by this section if it determines that such coloring or discoloring for such use is not necessary for the protection of the public health and the environment.

(e) any pesticide which is adulterated or misbranded, or any device which is misbranded.

(2) It *is* unlawful for any person to:

(a) detach, alter, deface, or destroy, in whole or in part, any label or labeling provided for in this chapter or rules promulgated hereunder or to add any substance to or take any substance from a pesticide in a manner that may defeat the purpose of this chapter;

(b) use for his own advantage or reveal, other than to the department or proper officials or employees of the state or the courts of this state in response to a subpoena, to physicians or to veterinarians or in emergencies to pharmacists and other qualified persons for use in the preparation of antidotes, any information relative to formulas of products acquired by authority of 80-8-201."

Section 10. Section 80-8-209, MCA, is amended to read:

"80-8-209. Farm applicators. (1) Farm applicators shall obtain a certificate or special-use permit prior to purchasing and using any pesticide designated by the department as a restricted-use pesticide. The certificate, to be issued for 5 calendar years, must be renewed annually by the department or its authorized representative. The 5-year certification period shall commence on January 1, 1978.

(2) Restricted pesticides may not be utilized by farm applicators or their employees except for the purpose of producing or protecting any agricultural commodity on property owned, leased, or rented or as provided in (6) of this section.

(3) Farm applicators shall qualify for the certificate or permit by either passing a written examination or attending a training course approved by the department with or without an ungraded *examination.* The examination or course shall include practical knowledge as *to* the ability to:

(a) recognize common pests to be controlled and damage caused by them;

HeinOnline -- 1979 vol. I 78 1979

(b) read and understand the label and labeling information, including the common name of the pesticide(s) applied, pest(s) to be controlled, timing and methods of application, safety precautions, any preharvest or reentry restrictions, and any specific disposal procedures;

(c) apply pesticides in accordance with label instructions and warnings, including the ability to prepare the proper concentration of pesticides to be used under particular circumstances, taking into account such factors as area to be covered, speed at which application equipment will be driven, and the quantity dispersed in a given period of operation;

(d) recognize local environmental situations that must be considered during application to avoid contamination; and

(e) recognize poisoning symptoms and procedures to follow in case of a pesticide accident.

(4) The department may require farm applicators to attend a mandatory training session and pass a written examination for those restricted pesticides *that* are extremely toxic or for which an effective antidote is not available. The department may require farm applicators handling these pesticides to maintain use records.

(5) Farm applicators having verified reading disabilities may become certified to use up to two restricted-use pesticides by passing a specific oral examination on the particular pesticide(s) if the applicator documents that a certified applicator in the immediate vicinity can advise him.

(6) Provisions of this chapter relating to *certification* of farm applicators *do* not apply to any farm applicator applying nonrestricted pesticides on his own land or on lands of his *neighbors if* he:

(a) operates farm property and operates and maintains pesticide application equipment primarily for his own use;

(b) is not regularly engaged in the business of applying pesticides for hire and does not publicly hold himself out as a pesticide applicator;

(c) operates his pesticide application equipment only in the vicinity of his own property and for the accommodation of his immediate neighbors."

Section 11. Section 80-8-210, MCA, is amended to read:

"80-8-210. Licensing nonresidents. Any nonresident applying for a license under this chapter to operate in Montana shall file a written power of attorney designating the secretary of state as the agent of such nonresident upon whom service of process may be had in the event of any suit against *the* nonresident person, and such power of attorney shall be so prepared and in such form as to render effective the jurisdiction of the courts of Montana over such nonresident applicant; provided, however, that any such nonresident who has a duly appointed resident agent upon whom process may be *served* as provided by law *is* not required to designate the secretary of state as such agent. The secretary of state shall be allowed such fees as provided by law for designating resident agents. The department shall be furnished with a copy of such designation of the

HeinOnline -- 1979 vol. I 79 1979

(2) The proceedings and records of professional utilization, peer review, and professional standards review committees are not subject to discovery or introduction into evidence in any proceeding. However, information otherwise discoverable or admissible from an original source is not to be construed as immune from discovery or use in any proceeding merely because it was presented during proceedings before the committee, nor is a member of the committee or other person appearing before it to be prevented from testifying as to matters within his knowledge, but he cannot be questioned about his testimony or other proceedings before the committee or about opinions or other actions of the committee or any member thereof.

Subject to that provision, 9/10 of 1% of all money shall be deposited in the state park account and 3/10 of 1% of all money shall be deposited in a snowmobile account in the earmarked revenue fund. *The* remainder of the money shall be used by the department of highways on the federal-aid highways in this state selected and designated under *Title 23, U.S.C.*, and on highways leading from each county seat in the state to the federal highway system of federal-aid roads where the county seat is not on the system and on the other roads which have been or may be authorized by the laws of Montana and for collection of the license taxes and the enforcement of the Montana highway code under Article VIII, section 6, of the constitution of this state.

The legislature finds that of all the fuel sold in the state for consumption in internal combustion engines, not less than 9/10 of 1% is used for propelling boats on waterways of this state.

(5) Money credited to the snowmobile account may be used only to develop and maintain facilities open to the general public at no admission cost and to promote snowmobile safety. For the 2 years following July 1, 1977, 15% of the amount deposited in the snowmobile fund each year shall be used to promote snowmobile safety. Thereafter, 10% of the amount deposited in the snowmobile fund shall be used to promote snowmobile safety. Section 13. Section 60-3-215, MCA, is amended to read:

"60-3-215. Replacement of bridges. (1) Whenever funds are made available under *Title 23, U.S.C.,* for the replacement of bridges, the department may allocate from state construction *money* such *money* as *is* necessary to match the available federal funds. Such allocation shall be

HeinOnline -- 1979 vol. I 109 1979

made from available state construction *money* before the apportionments provided for in 60-3-205, 60-3-206, and 60-3-211.

(2) Whenever such state construction *money is* so allocated, the amount allocated may not be deducted from future apportionments to the financial district or city."

"60-3-232. Department of highways to determine centers. For the purposes of *60-3-231 through 60-3-234*, the department of highways is authorized to determine and delineate the area influenced by designated economic growth centers. In so doing, it shall take into account relevant geographic, economic, educational, and recreational factors. The department is also authorized to determine and delineate those portions of existing highways which need to be upgraded to accommodate the existing and future needs of the traveling public."

Section 17. Section 60-3-301, MCA, is amended to read:

Footpaths and bicycle trails may be established and extended to the nearest city or town or termination point of the highway or road wherever a highway, road, or street is being constructed, reconstructed, or relocated. In addition, footpaths and bicycle trails shall be established along all streets under state jurisdiction. Funds received from the earmarked revenue fund may also be expended to maintain footpaths and bicycle trails along other highways, roads, and streets and in parks and recreation areas where the construction would enhance traffic safety and convenience. Footpaths and bicycle trails shall be constructed along all sections of the national defense interstate highway system within a reasonable time after the completion of that system.

HeinOnline -- 1979 vol. I 110 1979

(2) Footpaths and trails are not required to be established under subsection (1) of this section:

(a) if the cost of establishing the paths and trails would be excessively disproportionate to the need or probable use; or

(b) where sparsity of population, other available ways, or other factors indicate an absence of any need for the paths and trails.

(3) The amount expended by the state highway commission or by a city or county as *required* or permitted by this section shall never in any one fiscal year be less than ¾ of 1% of the amount appropriated to the department of highways from the earmarked revenue fund for the construction program, maintenance program, and preconstruction program."

Section 19. Section 60-4-105, MCA, is amended to read:

(1) Whenever any interest in a part of a parcel of land or other real property is to be acquired for highway purposes leaving the remainder in a shape or condition as to be of little market value or to give rise to claims or litigation over severance or other damage, the department may acquire the whole parcel. It may sell or exchange the remainder for other property needed for highway purposes.

(2) Whenever a part of a parcel of land acquired for highway purposes is in a shape or size as to come within *the Montana Subdivision and Platting Act*, the department shall prepare and file the required plat in the office of the county clerk and recorder."

The records of the samples and their analysis and test, when identified as to the sample by the oath of the officer taking it and verified as to the analysis or test by the oath of the chemist or bacteriologist making it, are prima facie evidence of the facts set forth in them when offered in evidence in a prosecution or action at law or in equity for violation of part 1, 2, or 3 of this chapter, 81-9-201 through 81-9-207, 81-20-101, 81-21-102, 81-21-103, or a rule or order of the board adopted thereunder. These expenses are a lien on the livestock or other property, and the department may retain possession of the livestock until the charges and expenses are paid. The lien is not dependent on possession and may be foreclosed in the name of the agent of the department

(e) such further care and treatment or evaluation that the court *considers* beneficial to the youth, consistent with subsection (d) of this section.

If the department of institutions reports and states the reasons to the court why the youth is not suitable for placement, the youth shall be returned to the court for such further disposition as the court may *consider* advisable under the provisions of this chapter. The costs of transporting the youth to the designated youth facility for evaluation and cost of returning the youth to the court shall be borne by the county of residence of the youth.

(4) Any order of the court may be modified at any time.

(2) The board of directors of any such corporation *may* invest the capital and assets of *the* corporation and keep the same invested in securities to be approved by the board, and the board *may* make such investments of its capital and assets and of the funds accumulated by its business, including money, deposits, or any part thereof, in negotiable or nonnegotiable notes or bonds, mortgages on unencumbered real estate, stocks and bonds of corporations, or bonds and warrants of any county, city, town, or school district of this state or any other state of the United States legally authorized to issue the same, or bonds or obligations of the United States.

(3) Notwithstanding other provisions of the law, it *is* lawful for *a* bank, trust company, investment company *or* other financial *institution* operating under the laws of this state to invest the funds or *money* in *its* custody or possession, eligible for investment, in debentures issued by the federal housing administrator and in obligations of *national mortgage associations*."

Section 2. Section 32-1-464, MCA, is amended to read:

"**32-1-464. Fraud by director, officer, or employee.** A director, officer, agent, or employee of a bank is guilty of a felony *if that person*:

(1) knowingly receives or possesses himself of any of its property, otherwise than in payment for a just demand, and with intent to defraud:

(a) omits to make or to cause or direct to be made a full and true entry of it in its books and account; or

(b) concurs in omitting to make any material entry thereof;

(2) knowingly concurs in making or publishing any written report, exhibit, or statement of its affairs or pecuniary condition containing any material statement which is false; or

(3) having the custody or control of its books, willfully refuses or neglects to make a proper entry in the books of that corporation as required by law, to exhibit them, or allow them to be inspected and extracts to be taken from them by the department."

thing of value for his own personal benefit or personal advantage for procuring or endeavoring to procure for any person, firm, or corporation any loan from or the purchase or discount of any paper, note, draft, check, or bill of exchange by such bank or for authorizing and permitting any person, firm, or corporation to overdraw any account with such bank."

Section 4. Section 32-1-506, MCA, is amended to read:

"32-1-506. Assessment on capital stock to make good impairment. (1) When the department determines that an impairment of capital exists in a bank, it may, in its discretion, notify the board of directors of the bank by written notice that the impairment exists, stating the amount thereof in dollars and percentage of the capital stock, and it may, in its discretion, order the board to make good the impairment within 90 days from date of the notice.

(2) The board of directors shall, upon receipt of notice, convene and pass a resolution reciting the receipt of the notice of impairment and calling a special meeting of the stockholders of the bank in the manner provided in their bylaws.

(3) The stockholders at the meeting shall pass a resolution reciting the facts of receipt of notice from the department, notice of impairment, and notice of meeting and assessing themselves by assessing the stock of record, payment of which assessment must be made within the time limit specified by the department as provided in notice of impairment.

(4) If there is any stock remaining on which the assessment is not paid as provided in this section, it or a part of it as is necessary to pay the assessment shall be sold by the board of directors, acting through the cashier or secretary of the bank, at public or private sale, as appears best for all concerned, not less than 30 days after the day fixed for payment of assessment. Notice of the time and place of the sale shall be given by certified or registered mail to the stockholders by the board through its cashier or secretary at least 10 days prior to the sale. A sale of stock as provided in this section causes an absolute cancellation of the outstanding certificate or certificates evidencing the stock so sold and makes them void in the hands of the stockholder *or* his assigns or pledgees. A new certificate shall be issued by the bank to the purchaser for the number of shares purchased and a new certificate issued to the stockholder of record and delivered to him or any pledgee or assignee of the stock for the remaining shares, if any. The record of the original certificate sold shall be marked canceled on the books of the bank, and that record is prima facie evidence of the regularity of the proceedings for the sale of the stock.

(5) If a bank fails to make good its capital impairment upon demand of the department, as provided in this section, the department may immediately take charge of that bank and proceed to liquidate it as in case of insolvency.

(6) If the stock does not sell for enough to pay the assessment on it, the board of directors may sue in the name of the corporation to collect the deficiency from the *stockholder of record* whose stock has been sold for the assessment."

HeinOnline -- 1979 vol. I 128 1979

Section 5. Section 32-1-534, MCA, is amended to read:

(a) the expense of liquidation, including compensation of agents, employees, and attorneys;

(b) all funds of any other bank in process of liquidation by the department and placed on deposit by the department;

(e) interest on the classes of claims contained in subsections (1)(a) through (1)(d) of this section without regard to the priority computed from the date of closing of the bank at the rate of 7% a year;

(f) unliquidated claims for damages and similar claims, including claims of stockholders for amounts claimed to have been voluntarily advanced to the bank or paid in by way of special or voluntary or other assessments.

(2) The department may, in its discretion, without regard to the priorities fixed in subsections (1)(c) through (1)(f) of this section or in preference to the payment of any claims of creditors within these subsections, pay off and discharge any lien, claim, or charge against the assets or property of the bank in its hands and pay those sums it considers necessary for the preservation, maintenance, conservation, and protection of those assets and property and likewise property on which the bank has liens by mortgage or otherwise. It may also, in its discretion, create a fund or retain in its hands, in preference to the claim of any creditors in subsections (1)(c) through (1)(f), *money* for those purposes.

(3) Collateral *that* has been put up or pledged as security for the payment of bills payable by a bank or loans or discounts *that* have been outstanding as rediscounts of a bank prior to the closing of it is not available to the other creditors of the bank in whole or in part until the bills payable or rediscounts have been retired, after which offsets as provided in this section shall be allowed.

HeinOnline -- 1979 vol. I 129 1979

(4) Deposits of a person, firm, or corporation in a bank which is in the possession of the department may be offset against any indebtedness (subject to the conditions of subsection (3) of this section), except assessments on stock, due to the bank from that person, firm, or corporation. All dividends when declared in favor of a creditor of the bank may be applied, in the discretion of the department, in satisfaction of the indebtedness, if any, due the bank from the creditor."

(e) other bonds and securities, not to exceed 10% of the association assets.

(2) Not over 10% of the assets of an association may be invested in home office buildings, furniture, and fixtures. Other real property acquired in any manner or for any purpose may not be held for more than 5 years, except by permission of the department.

(3) Notwithstanding other provisions of the law, it *is* lawful for *a* building and loan association *or* other financial institution operating under the laws of this state to invest the funds or *money* in *its* custody or possession, eligible for investment, in debentures issued by the federal housing administrator and in obligations of *national mortgage associations*."

Section 7. Section 32-3-611, MCA, is amended to read:

"32-3-611. Share insurance. (1) *Each credit union shall maintain insurance on its share accounts under the provisions of Title II of the Federal Credit Union Act.*

Unless there has been a periodic review and a voluntary readmission consented to by the minor patient and his counsel, voluntary admission terminates at the expiration of 1 year. Counsel shall be appointed for the minor.

(4) If, in any *application for* voluntary admission for any period of time to a mental health facility, a minor fails to join in the consent of his parents or guardian to the voluntary admission, then the *application for* admission shall be treated as *a petition for* involuntary commitment. (3) In addition to funding received under this section, a person operating a state-approved alcoholism program may accept gifts, bequests, or the donation of services or money for the treatment, rehabilitation, or prevention of alcoholism.

(4) No person receiving funding under this section to support operation of a state-approved alcoholism program may refuse alcoholism treatment, rehabilitation, or prevention services to a person solely because of that person's inability to pay for those services.

(5) A grant made under this section is subject to the following conditions:

(a) The grant application must contain an estimate of all program income, including income from earned fees, gifts, bequests, donations, and grants from other than state sources during the period for which grant support is sought.

(b) Whenever, during the period of grant support, program income exceeds the amount estimated in the grant application, the amount of the excess shall be reported to the grantor.

(1) An intoxicated person who has threatened, attempted, or inflicted physical harm on another and is likely to inflict physical harm on another unless committed or *a person* who is incapacitated by alcohol may be committed to an approved public treatment facility for emergency treatment. A refusal to undergo treatment does not constitute evidence of lack of judgment as to the need for treatment.

(2) The certifying physician, spouse, guardian, or relative of the person to be committed or any other responsible person may make a written application for commitment under this section directed to the administrator of the approved public treatment facility. The application shall state facts to support the need for emergency treatment and be accompanied by a physician's certificate stating that he has examined the person sought to be committed within 2 days before the certificate's date and facts supporting the need for emergency treatment. A physician employed by the admitting facility or the department is not eligible to be the certifying physician.

(3) Upon approval of the application by the administrator of the approved public treatment facility, the person shall be brought to the facility by a peace officer, health officer, the applicant for commitment, the patient's spouse, the patient's guardian, or any other interested person. The person shall be detained at the facility to which he was admitted or transferred to another appropriate public or private treatment facility until discharged under subsection (5).

(4) The administrator of an approved public treatment facility shall refuse an application if in his opinion the application and certificate fail to sustain the grounds for commitment.

(5) When on the advice of the medical staff the administrator determines that the grounds for commitment no longer exist, he shall discharge a person committed under this section. No person committed under this section may be detained in any treatment facility for more than 5 days. If a petition for involuntary commitment under 53-24-302 has been filed within the 5 days and the administrator in charge of an approved public treatment facility finds that grounds for emergency commitment still exist, he may detain the person until the petition has been heard and determined, but no longer than 10 days after filing the petition.

(6) A copy of the written application for commitment and of the physician's certificate and a written explanation of the person's right to counsel shall be given to the person by the department within 24 hours after commitment. The department shall provide a reasonable opportunity for the person to consult counsel."

Section 19. Section 53-30-212, MCA, is amended to read:

(2) If such person's behavior after being committed to the department indicates that he is not a proper person to reside at one of the department's juvenile facilities, the governor, after consulting with the department *and* with the approval of the board of pardons, may revoke the commutation and return him to the state prison to serve out his unexpired

(3) Upon recommendation of the warden and with the approval of the department, a person under 21 years *of age* who has been sentenced to the state prison may be transferred to any juvenile facility under the jurisdiction and control of the department.

(4) Upon recommendation of the warden and approval of a person sentenced to the state prison or application of a person sentenced to the state prison and approval of the warden and with the approval of the department, such person sentenced to the state prison who is 25 years *of age* or younger may be transferred to the Swan River youth forest camp. Upon such transfer such person shall be under the supervision and control of the facility to which he is transferred.

(5) If such person's behavior after transfer to such juvenile facility indicates he might be released on parole or his sentence *be* commuted and he be discharged from custody, the superintendent of such facility, with the approval of the department, may make an appropriate recommendation to the state board of pardons and the governor, who may, in their discretion, parole such person or commute his sentence.

(6) If such person's behavior after transfer to a juvenile facility indicates he is not a proper person to reside in such facility, upon recommendation of the superintendent and with the approval of the department, such person shall be returned to the state prison to serve out his unexpired term."

Section 20. Section 53-30-214, MCA, is amended to read:

Section 1. Section 15-1-101, MCA, is amended to read:

"15-1-101. Definitions. (1) When terms mentioned in this section are used in connection with taxation, they are defined in the following manner:

(a) The term "agricultural" refers to the raising of livestock, swine, poultry, field crops, fruit, and other animal and vegetable matter for food or fiber.

(b) The term "assessed value" means the value of property as defined in 15-8-111.

(g) The term "poultry" includes all chickens, turkeys, geese, ducks, and other birds raised in domestication to produce food or feathers.

(h) The term "property" includes moneys, credits, bonds, stocks, franchises, and all other matters and things, real, personal, and mixed, capable of private ownership. This definition must not be construed to authorize the taxation of the stocks of any company or corporation when the property of such company or corporation represented by the stocks is within the state and has been taxed.

HeinOnline -- 1979 vol. I 155 1979

(i) The term "real estate" includes:

(i) the possession of, claim to, ownership of, or right to the possession of land;

(ii) all mines, minerals, and quarries in and under the land subject to the provisions of 15-23-501 and 15-23-801; all timber belonging to individuals or corporations growing or being on the lands of the United States; and all rights and privileges appertaining thereto.

(j) The term "taxable value" means the percentage of assessed value as provided for in chapter 6, part 1.

(2) The phrase "municipal corporation" or "municipality" or "taxing unit" shall be deemed to include a county, city, incorporated town, township, school district, irrigation district, drainage district, or any person, persons, or organized body authorized by law to establish tax levies for the purpose of raising public revenue.

(3) The term "state board" or "board" when used without other qualification shall mean the state tax appeal board."

"69-11-109. Provision for transportation of passengers and property for free or reduced rates. (1) No provisions of the laws of this state prevent any person, association, company, or corporation engaged as a common carrier of persons or property in this state from carrying, storing, or handling property free or at reduced rates for the United States, *for* state or municipal governments, or for charitable institutions; property which is being transported to or from fairs and expositions for exhibit thereat; or cars used by the government of the United States or the state for the transportation of fish *and from* carrying free or at reduced rates agents and employees employed in such transportation; and nothing therein contained *prevents* such person, association, company, or corporation from issuing free transportation or selling tickets at reduced rates to the classes of persons *listed in 69-11-208.*

(2) When free transportation or a ticket at a reduced rate is issued to any officer or any president or member of the faculty of any educational institution referred to in *69-11-208(1)(r)*, it shall only be issued upon the application of the secretary of state and the transportation or ticket shall be delivered to the secretary of state for delivery to the person or persons applying therefor. The secretary of state shall keep record of all transportation and tickets at reduced rates so received and delivered by him. The state officer and the president and faculty of the state educational institutions, when traveling upon any free transportation, may not charge any mileage against the state, or if traveling upon a ticket sold at reduced fare, they may not charge mileage in excess of the cost of the ticket.

(3) The carrying free or at reduced rates of property or persons in any of the classes above specified shall be held to be a reasonable classification by *common carriers* for such purposes and not to be unjust discrimination. The carriage and transportation by any *common carrier* at free or reduced rates in any of the cases above specified *is not* a violation of any of the provisions of the laws of Montana *and does not* subject *the common carrier* to any penalty therefor."

be the value thereof at the place and on the day at which it should have been delivered, deducting the freightage to which he would have been entitled if he had completed the delivery.

(3) The detriment caused by a carrier's delay in the delivery of freight is deemed to be the depreciation in the intrinsic value of the freight during the delay and also the depreciation, if any, in the market value thereof, otherwise than by reason of a depreciation in its intrinsic value, at the place where it ought to have been delivered and between the day at which it ought to have been delivered and the day of its actual delivery.

(4) The damages prescribed by this section are exclusive of exemplary damages and interest except where those are expressly mentioned. If, in such action, it is the decision of the court that the rule, regulation, order, rate, or classification is not unreasonable or unjust and that in refusing compliance therewith the railroad, railway, or common carrier is thereby failing or omitting the performance of any duty, debt, or obligation, the court shall decree a mandatory and perpetual injunction compelling obedience to and compliance with the rule, regulation, order, rate, or classification by the defendant and its officers, agents, servants, and employees and may grant such other relief as *is* just and proper. Any violation of such decree *renders* the defendant and *any* officer, agent, servant, or employee of the defendant who is in any manner instrumental in such violation guilty of contempt, punishable by a fine not exceeding $1,000 for each offense or by imprisonment of the person guilty of contempt until he sufficiently *purges* himself therefrom. Such decree *remains* in effect until the rule, regulation, order, rate, or classification shall be

(3) An appeal shall lie to the supreme court from the decree in such action, and the cause shall have precedence over all other civil actions of a different nature pending in the supreme court *except original proceedings in the supreme court.*"

Section 31. Section 69-14-135, MCA, is amended to read:

"69-14-135. General right to supreme court review. Nothing in this subsection prevents any railroad or railroad corporation from giving excursion rates to or from any point within or without the state.

(2) If any railroad subject to *this chapter* or its agents or officers hereafter collects, charges, demands, or receives from any person, company, firm, or corporation a greater rate, charge, or compensation than that fixed and established by the commission for the transportation of freight, passengers, or cars or for the use of any car on the line of its railroad or any line operated by it or for receiving, forwarding, handling, or storing any such freight car or for any other service performed or to be performed by it, such railroad and its agents and officers shall forfeit and pay to the state a sum not less than $500 or more than $2,000.

No contract or agreement, written or otherwise, between such person or shipper and the railroad shall be admissible in evidence for the purpose of showing a waiver of the right given by this section. No voluntary payment by any person or shipper of any such excess or overcharge to any railroad shall be or be held to be a waiver on the part of such person or *shipper* of the right to sue and recover for such excess or overcharge as provided for in this section. If upon the trial of such action it shall satisfactorily appear to the court or jury that such overcharge was willfully made, the person or shipper bringing the action shall be awarded damages in treble the amount of such excess or overcharge, together with the costs and expenses of such action, including a reasonable attorney's fee, to be taxed and collected as other costs in the action.

Whenever traffic is controlled by traffic-control signals exhibiting the words "Go", "Caution", or "Stop" or exhibiting different colored lights successively one at a time or with arrows, the following colors only shall be used and said terms and lights shall indicate and apply to drivers of vehicles and pedestrians as follows:

HeinOnline -- 1979 vol. I 202 1979

(a) Vehicular traffic facing the signal may proceed straight through or turn left or right unless a sign at such place prohibits either such turn. But vehicular traffic, including vehicles turning right or left, shall yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection of an adjacent crosswalk at the time such signal is exhibited.

(b) Pedestrians facing the signal may proceed across the roadway within any marked or unmarked crosswalk.

If a traffic sign legend indicating that no right turn on red *or no left turn on red* may be made after a stop is posted at said intersection, such movement cannot be made until green or "Go" is shown alone.

(b) No pedestrian facing such signal shall enter the roadway unless he can do so safely and without interfering with any vehicular traffic.

"39-71-204. Rescission, alteration, or amendment by division of its orders, decisions, or awards — limitation — effect. (1) *Except as provided in subsection (2), the* division shall have continuing jurisdiction over all its orders, decisions, and awards and may, at any time, upon notice, and after opportunity to be heard is given to the parties in interest, rescind, alter, or amend any such order, decision, or award made by it upon good cause appearing therefor.

(2) The division *or the workers' compensation judge* shall not have power to rescind, alter, or amend any final settlement or award of compensation more than 4 years after the same has been *approved by the division. Rescinding, altering, or amending a final settlement within the 4-year period shall be by agreement between the claimant and the insurer. If the claimant and the insurer cannot agree, the dispute shall be considered a dispute for which the workers' compensation judge has jurisdiction to make a determination. Except as provided in 39-71-2908, the* division *or the workers' compensation judge* shall not have the power to rescind, alter, or amend any order approving a full and final compromise settlement of compensation.

Section 3. Section 39-71-741, MCA, is amended to read:

"39-71-741. Compromise settlements and lump-sum payments — division approval required. The biweekly payments provided for in this chapter may be converted, in whole or in part, into a lump-sum payment. Such conversion can only be made upon the written application of the injured worker or the worker's beneficiary, *with the concurrence of the insurer,* and shall rest in the discretion of the division, both as to the amount of such lump-sum payment and the advisability of such conversion. The division is hereby vested with full power, authority, and jurisdiction to *allow* and approve compromises of claims under this chapter. All settlements and compromises of compensation provided in this chapter are void without the approval of the division. *Approval* of the division must be in writing. The division shall directly notify every claimant of any division order approving or denying a claimant's settlement or compromise of a claim. *A controversy between a claimant and an insurer regarding the conversion of biweekly payments into a lump sum is considered a dispute for which the workers' compensation judge has jurisdiction to make a determination.*"

"39-71-2905. Petition to workers' compensation judge. A claimant or *an* insurer who has a dispute concerning any benefits under chapter 71 of this title may petition the workers' compensation judge *for a determination of the dispute.* The judge, after a hearing, shall make a determination of the dispute in accordance with the law as set forth in chapter 71 of this title. *If the dispute relates to benefits due a claimant under chapter 71, the judge shall* fix and determine any benefits to be paid and specify the manner of payment. *The workers' compensation judge has exclusive jurisdiction to make determinations concerning disputes under chapter 71. "39-71-2907. Increase in award for unreasonable delay or refusal to pay. When payment of compensation has been unreasonably delayed or refused *by an insurer,* either prior or subsequent to the issuance of an *order by the workers' compensation judge granting a claimant compensation benefits, the full amount of the compensation benefits due a claimant, between the time compensation benefits were delayed or refused and the date of the order granting a claimant compensation benefits, may be increased by the workers' compensation judge by 20%.* The question of unreasonable delay or refusal shall be determined by the workers' compensation judge, and such a finding constitutes good cause to rescind, alter, or amend any order, decision, or award previously made in the cause for the purpose of making the increase provided herein."

HeinOnline -- 1979 vol. I 205 1979

Section 6. Section 39-71-2909, MCA, is amended to read:

"39-71-2909. Authority to review, diminish, or increase awards — limitation. The judge may, upon the *petition* of *a claimant or an insurer that the disability of the claimant has changed*, review, diminish, or increase, in accordance with the law on benefits as set forth in chapter 71 of this title, any benefits *previously awarded by the judge or benefits received by a claimant through* settlement agreements. *However, the judge may not change* any final settlement or award of compensation more than 4 years after the settlement has been *approved by the division or* any order approving a full and final compromise settlement of compensation."

CHAPTER NO. 76

AN ACT ESTABLISHING PROCEDURES FOR ISSUANCE OF ORDERS AND REMOVAL OF BOARD MEMBERS OR OFFICERS OF FINANCIAL INSTITUTIONS IN THE EVENT OF VIOLATION OF A LAW OR UNSAFE PRACTICES; PROVIDING FOR INFORMAL DISPOSITION; AND PROVIDING PENALTIES.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Definitions.** For purposes of [sections 1 through 13], the following definitions shall apply:

(1) "Cease and desist order which has become final" and "order which has become final" mean a cease and desist order or an order issued by the director with the consent of the institution or the board member, officer, or other person concerned, with respect to which no timely petition for review of the action of the director has been filed in a district court as specified in subsection (2) of [section 8] or with respect to which the action of the court in which a petition for review has been filed is not subject to further review by the courts of the state.

(2) "Director" means the director of the department of business regulation.

(3) "Institution" means a commercial bank, savings bank, trust company, or investment company chartered under Title 32, chapter 1, MCA.

(4) "Violation" includes without limitation any action, alone or with others, causing, counseling, aiding, or abetting a violation.

(5) "Board member" means a member of the board of directors of the institution.

Section 2. **Notice of charges — hearing — cease and desist order — effective date.** (1) If the director has reasonable cause to believe that any institution is engaging or has engaged or is about to engage in an unsafe or unsound practice in conducting the business of such institution or is violating, has violated, or is about to violate a law or rule, the director may issue and serve upon the institution a notice of charges in respect thereof. The notice shall contain a statement of the facts constituting the alleged unsafe or unsound practice or violation and shall fix a time and place at which a hearing will be held to determine whether an order to cease and desist therefrom should issue against the institution.

(2) The hearing may not be earlier than 30 days or later than 60 days after service of the notice unless an earlier or a later date is set by the director at the request of the institution. Unless the institution appears at the hearing by a duly authorized representative, it shall be considered to have consented to the issuance of the cease and desist order. In the event of such consent or if upon the record made at any such hearing the director finds that any unsafe or unsound practice or violation specified in the notice of charges has been established by the preponderance of the evidence, the director may issue and serve upon the institution an order to

HeinOnline -- 1979 vol. I 228 1979

cease and desist from any such practice or violation. By provisions which may be mandatory or otherwise, the order may require the institution and its board members, officers, employees, and agents to cease and desist from such practice or violation and to take affirmative action to correct the conditions resulting from any such practice or violation.

(3) A cease and desist order becomes effective at the expiration of 45 days after the service of the order upon the institution, except in the case of an order issued upon consent which is effective at the time specified therein, and remains effective and enforceable as provided therein, except to the extent it is stayed, modified, terminated, or set aside by the action of the director or a reviewing court.

Section 3. **Informal conferences — time for application.** (1) Within 15 days after service of the notice of charges, either the institution or department may request an informal conference to discuss the charges and the possible disposition of them without a formal hearing process. The conference shall be carried out in accordance with the provisions of 2-4-603. Upon a proper showing, the director in his discretion may withdraw charges and proceedings for a cease and desist order.

Section 4. **Temporary cease and desist order — grounds for issuance — effective date — injunctive relief.** (1) Whenever the director determines that any violation or threatened violation or any unsafe or unsound practice specified in the notice of charges served upon the institution pursuant to [section 2(1)] or the continuation thereof is likely to cause insolvency or substantial dissipation of assets or earnings of the institution or is likely to otherwise seriously prejudice the interests of its depositors, the director may issue a temporary order requiring the institution to cease and desist from such violation or practice. Such order shall contain a statement of the facts constituting the alleged violation or unsafe or unsound practice. The order is effective upon service upon the institution and unless set aside, limited, or suspended by a court in proceedings authorized by subsection (2) of this section remains effective and enforceable until the completion of the administrative proceedings pursuant to such notice of charges, until the director dismisses the charges specified in the notice, or until a cease and desist order which is issued against the institution after the hearing becomes effective.

(2) Within 10 days after the institution has been served with a temporary cease and desist order, the institution may apply to the district court for the county in which the home office of the institution is located for an injunction setting aside, limiting, or suspending the enforcement, operation, or effectiveness of the order pending the completion of the administrative proceedings held pursuant to the notice of charges served upon the institution under [section 2(1)]. The court has jurisdiction to issue the injunction.

Section 5. **Notice of intention to remove board member or officer or to prohibit participation — suspension.** (1) The director may serve upon a board member or officer of an institution a written notice of intention to remove him from office whenever the director has reasonable cause to believe:

HeinOnline -- 1979 vol. I 229 1979

(a) the board member or officer has:

(i) committed any violation of law involving dishonesty or breach of trust;

(ii) violated a cease and desist order which has become final;

(iii) engaged or participated in any unsafe or unsound practice in connection with the institution; or

(iv) committed or engaged in any act, omission, or practice which constitutes a breach of his fiduciary duty as a board member or officer of the institution; and

(b) the institution has suffered or will probably suffer substantial financial loss or other damage or the interest of its depositors could be seriously prejudiced by reason of the violation, practice, or breach of fiduciary duty involving personal dishonesty on the part of such board member or officer.

(2) Whenever in the opinion of the director any board member or officer of an institution has, by conduct or practice with respect to another institution or business organization which has resulted in substantial financial loss or other damage to that institution or business organization, evidenced his personal disability and unfitness to continue as a board member or officer of the institution, and whenever the director has reasonable cause to believe that any other person participating in the conduct of the affairs of an institution has, by conduct or practice with respect to such institution, another institution, or other business organization which has resulted in substantial financial loss or other damage to the institution or business organization, evidenced his personal disability and unfitness to participate in the conduct of the affairs of such institution, the director may serve upon the board member, officer, or other person a written notice of intention to remove such person from office or to prohibit his further participation in any manner in the conduct of the affairs of the institution.

(3) A notice of intention to remove a board member, officer, or other person from office or to prohibit his participation in the conduct of the affairs of an institution shall contain a statement of the facts constituting grounds therefor, and shall fix a time and place at which a hearing will be held thereon. The hearing shall be held not earlier than 30 days or later than 60 days after the date of service of the notice, unless an earlier or later date is set by the director at the request of the board member, officer, or other person and for good cause shown.

(4) Unless the board member, officer, or other person appears at the hearing in person or by a duly authorized representative, he shall be considered to have consented to the issuance of an order of removal or prohibition. In the event of consent or if upon the record made at the hearing the director finds that any of the grounds specified in the notice have been established by the preponderance of the evidence, the director may issue such orders of suspension, removal from office, or prohibition from participation in the conduct of the affairs of the institution as he considers appropriate. The order becomes effective 30 days after service upon the

HeinOnline -- 1979 vol. I 230 1979

institution and the board member, officer, or other person concerned, except in the case of an order issued upon consent which becomes effective at the time specified therein. The order remains effective and enforceable until it is stayed, modified, terminated, or set aside by action of the director or a reviewing court.

Section 6. **Informal conferences — time for application.** Within 15 days after service of the notice of charges, either the board member, officer, or other person may request an informal conference to discuss the charges and the possible disposition of them without formal hearing process. The conference shall be carried out in accordance with the provisions of 2-4-603. Upon a proper showing the director in his discretion may withdraw charges and proceedings for a cease and desist order.

Section 7. **Suspension or prohibition effective upon service — stay.** (1) With respect to any board member or officer of an institution or any other person to whom notice is sent pursuant to [section 5], if the director considers it necessary for the protection of the institution or the interests of its depositors that the board member, officer, or other person be suspended from office or prohibited from further participation in any manner in the conduct of the affairs of the institution, the director may serve upon such board member, officer, or other person a written notice suspending him from office or prohibiting him from further participation in any manner in the conduct of the affairs of the institution. The notice shall contain a statement of the facts constituting grounds for the order and shall fix a time, not later than 10 days from the date of the service of the notice, at which a hearing will be held to afford the board member or officer the opportunity to respond. The suspension or prohibition is effective upon service of the notice and unless stayed by a court in proceedings authorized by subsection (2) of this section shall remain in effect until the completion of the administrative proceedings pursuant to the notice served under [section 4], until such time as the director dismisses the charges specified in such notice, or until the order of removal or prohibition which is issued against the board member, officer, or other person becomes effective. Copies of the notice shall also be served upon the institution of which the person is a director or officer or in the conduct of whose affairs he has participated.

(2) Within 10 days after the hearing provided for in subsection (1) of this section, the board member, officer, or other person may apply to the district court for the county in which the home office of the institution is located for a stay of the suspension or prohibition pending the completion of the administrative proceedings pursuant to the notice served upon the board member, officer, or other person under [section 4]. The court has jurisdiction to stay the suspension or prohibition.

Section 8. **Felony charges — suspension or prohibition.** (1) Whenever any board member or officer of an institution or other person participating in the conduct of the affairs of an institution is charged in any information, indictment, warrant, or complaint authorized by a county, state, or federal authority with the commission of or participation in a felony involving dishonesty or breach of trust, the director by written notice served upon the board member, officer, or other person may suspend him from office or prohibit him from further participation in any

HeinOnline -- 1979 vol. I 231 1979

manner in the conduct of the affairs of the institution. Suspension is effective upon service upon the individual. The notice shall contain a statement of the facts constituting grounds for the order and shall fix a place and time, not later than 10 days from the date of the notice, at which a hearing will be held to afford the board member or officer the opportunity to respond. A copy of the notice shall also be served upon the institution. The suspension or prohibition remains in effect until the information, indictment, warrant, or complaint is finally disposed of or until terminated by the director.

(2) Within 10 days after the hearing provided for in subsection (1) of this section, the board member, officer, or other person may apply to the district court for the county in which the home office of the institution is located for a stay of the suspension or prohibition pending the completion of the criminal proceedings initiated by the information, indictment, warrant or complaint. The court has jurisdiction to stay the suspension or prohibition.

(3) If a judgment of conviction with respect to the offense is entered against the board member, officer, or other person and at such time as the judgment is not subject to further appellate review, the director may issue and serve upon the board member, officer, or other person an order removing him from office or prohibiting him from further participation in any manner in the conduct of the affairs of the institution except with the consent of the director. A copy of the order shall also be served upon the institution, whereupon the board member or officer shall cease to be a board member or officer of the institution. A finding of not guilty or other disposition of the charge does not preclude the director from thereafter instituting proceedings to suspend or remove the board member, officer, or other person from office or to prohibit further participation in the affairs of the institution pursuant to [sections 5 or 6].

Section 9. **Board of directors — lack of quorum — temporary board members.** If at any time because of the suspension or removal of one or more board members pursuant to [sections 1 through 13] the board of directors of an institution has less than a quorum of board members not so suspended or removed, all powers and functions vested in or exercisable by the board shall vest in and be exercisable by the board members not so suspended or removed until such time as there is a quorum of the board members. If all of the board members have been suspended or removed, the director shall appoint persons to serve temporarily as board members, pending the termination of the suspensions or removals or until such time as their successors are duly elected and take office.

Section 10. **Hearings — decision — review, modification, termination or stay of orders.** (1) Any hearing provided for in [sections 1 through 13] shall be conducted in accordance with the provisions of the Montana Administrative Procedure Act. The hearing shall be private unless the director, after fully considering the views of the party afforded the hearing, determines that a public hearing is necessary to protect the public interest. After the hearing and within 90 days after the director has notified the parties that the case has been submitted to him

HeinOnline -- 1979 vol. I 232 1979

for final decision, he shall render his decision, which shall include findings of fact upon which his decision is predicated, and shall issue and serve upon each party to the proceeding an order consistent with the provisions of this section.

(2) Any party to the hearing or any person required by an order issued under [sections 1 through 13] to cease and desist from any of the violations or practices stated therein or any person suspended, removed, or prohibited from participation in the conduct of the affairs of an institution may obtain a review of any order, other than a consent order, which review shall be pursuant to the Montana Administrative Procedure Act. Unless a petition for review is timely filed as provided in the Montana Administrative Procedure Act, the director, at any time, upon such notice and in such manner as he considers proper, may modify, terminate, or set aside the order. Upon the timely filing of a petition for review, the director may modify, terminate, or set aside the order with the permission of the court.

Section 11. **Enforcement of notices or orders.** The director may apply to the district court of the county in which the home office of the institution is located or to the district court for Lewis and Clark County for the enforcement of any effective and outstanding notice or order issued under [sections 1 through 13]. The court has jurisdiction to require compliance therewith.

Section 12. **Violation of notice or final order — penalties.** Any present or former board member or officer of an institution or any other person against whom there is outstanding and effective any notice or final order served upon the board member, officer, or other person pursuant to [sections 5, 7, or 8] who participates in any manner in the conduct of the affairs of such institution; directly or indirectly solicits, procures, transfers, or attempts to transfer votes or attempts to vote any proxies, consents, or authorizations in respect to any voting rights in such institution; or without the prior written approval of the director, votes for a board member or serves as a board member, officer, or employee of such institution is guilty of a misdemeanor and may be fined not more than $1,000 or imprisoned for not more than 6 months, or both.

Section 13. **Cease and desist orders — manner of service — copies to federal authorities.** Any service required or authorized to be made by the director pursuant to [sections 1 through 13] shall be made upon individual board members and officers by personal service and may be made upon institutions by registered or certified mail or in such other manner reasonably calculated to give actual notice as the director by rule or otherwise may provide. Copies of any notice or order served by the director pursuant to the provisions of [sections 1 through 13] upon any institution or any board member or officer thereof or other person participating in the conduct of its affairs may also be sent to the appropriate federal supervisory authorities.

Section 1. Section 31-1-231, MCA, is amended to read:

"31-1-231. Requirements of retail installment contracts. (1) Each retail installment contract shall be in writing, signed by both the buyer and the seller, and completed as to all essential provisions prior to the signing of the contract by the buyer. However, if a retail installment transaction is a sale of goods other than a motor vehicle where no title, lien, or other security interest is retained or taken by the seller, then the retail installment contract need not be contained in a single document. In such case, if the contract is contained in more than one document, then one such document may be an original document executed by the retail buyer applicable to purchases of goods or services to be made by the retail buyer from time to time, and in such case such document, together with the sales slip, account book, or other written statement relating to each purchase, shall set forth all of the information required by this section and shall constitute the retail installment contract for each such purchase.

(2) The printed portion of the contract, other than instructions for completion, shall be in at least 8-point type. The contract shall contain the following notice in a size equal to at least 10-point bold type:

"1. Notice to the buyer. Do not sign this contract before you read it or if it contains any blank spaces.

2. You are entitled to an exact copy of the contract you sign.

3. Under the law, you have the right to pay off in advance the full amount due and to obtain a partial refund of the finance charge."

(3) If the contract covers the sale of a motor vehicle, it shall also contain, in a size equal to at least 10-point bold type, a specific statement that liability insurance coverage for bodily injury and property damage caused to others is not included if that is the case.

HeinOnline -- 1979 vol. I 247 1979

(4) The contract shall contain the names of the seller and the buyer, the place of business of the seller, the residence or place of business of the buyer as specified by the buyer, and a description of the goods sold or services furnished or to be furnished and shall clearly state and describe any collateral security taken for the buyer's obligation.

(5) The contract shall contain the following items:

(a) the cash sale price of the goods or services;

(b) the amount of the buyer's down payment and whether made in money or goods or partly in money and partly in goods, including a brief description of the goods traded in;

(d) the amount, if any, included for insurance and other benefits if a separate charge is made therefor, specifying the types of coverage and benefits;

(e) the amount of official fees;

(f) the principal balance which is the sum of items (c), (d), and (e);

(g) the amount of the finance charge;

(h) the total amount of the time balance, stated as one sum in dollars and cents, which is the sum of items (f) and (g), payable in installments by the buyer to the seller;

(i) the number of installments;

(j) the amount of each installment; and

(k) the due date or period *of installments.*

(6) The items in (5) need not be stated in the sequence or order set forth *and* additional items may be included to explain the computations made in determining the amount to be paid by the buyer.

(7) No retail installment contract *may* be signed by any party thereto when it contains blank spaces to be filled in after it has been signed, except that if delivery of the goods is not made at the time of the execution of the contract, the identifying numbers or marks of the goods or similar information and the due date of the first installment may be inserted in the contract after its execution. The buyer's written acknowledgment, conforming to the requirements of 31-1-232, of delivery of a copy of a contract shall, in any action or proceeding by or against a holder of the contract without knowledge to the contrary when he purchases the contract, be conclusive proof:

(a) of such delivery;

(b) that the contract when signed did not contain any blank spaces except as herein provided; and

(c) of compliance with 31-1-231 through 31-1-236."

Section 2. Section 31-1-243, MCA, is amended to read:

HeinOnline -- 1979 vol. I 248 1979

"**31-1-243. Refinancing retail installment contract.** The holder of a contract, upon request by the buyer, may extend the scheduled due date of all or any part of any installment or installments or defer payment or payments or renew or restate the unpaid time balance of such contract, the amount of the installments, and the time schedule therefor and may collect for such extension, deferment, renewal, or restatement a refinance charge. The holder may compute the refinance charge on the unpaid time balance to be extended, deferred, renewed, or restated by adding to such unpaid time balance the cost for any insurance and other benefits incidental to the refinancing plus any accrued delinquency and collection charges, after deducting any refund which may be due the buyer as for a prepayment pursuant to 31-1-242 at the rate of the finance charge specified in 31-1-241(1) and by reclassifying in the case of motor vehicles by its then year model for the term of the refinancing agreement but otherwise subject to the provisions of this part governing computation of the original finance charge. The provisions of this part relating to minimum finance charges under 31-1-241(2) shall not apply in calculating refinance charges on the contract extended, deferred, renewed, or restated. If all unpaid installments are deferred for not more than 2 months, the holder may at his election charge and collect for such deferment an amount equal to the difference between the refund required for prepayment in full under 31-1-242 as of the scheduled due date of the first deferred installment and the refund required for prepayment in full as of 1 month prior to said date, times the number of months in which no scheduled payment is made."

Section 3. Section 31-1-301, MCA, is amended to read:

"**31-1-301. Wage brokers to procure license and give bond.** *No* person, company, corporation, or association *may* establish or conduct the business of wage broker within the state unless such person, company, corporation, or association *procures* a license from the proper authorities and *executes* a bond in such sum as *the* authorities may require for the faithful carrying out of the provisions of this part and of the ordinances of any town or city in which *the* business may be carried on."

Section 4. Section 31-2-218, MCA, is amended to read:

"**31-2-218. Assignment of real property.** When an assignment for the benefit of creditors embraces real property, it is subject to the provisions of this part, *70-21-102, and Title 70, chapter 21, part 3.*"

(1) authorize the business of the assignor to be conducted for a limited period by assignee, if necessary in the best interests of the estate, and allow additional compensation for such services;

HeinOnline -- 1979 vol. I 249 1979

(4) approve the final report and discharge the assignee and his surety from all further liabilities upon matters included in the accounting to creditors appearing and to creditors not having appeared after due citation or not having presented their claims after due advertisement."

(2) Where *an* employer *contracts to have* any work to be done by a contractor other than an independent contractor, and the work so *contracted* to be done is a part or process in the trade or business of *the* employer, then *the* employer *is* liable to pay all *benefits* under this chapter to the same extent as if the work were done without the intervention of *the* contractor, and the work so *contracted* to be done shall not be construed to be casual employment. In determining the premium amount for the calculation of the penalty under this subsection, the division shall make an assessment on how much premium would have been paid on the employer's past 3-year payroll for periods within the 3 years when the employer was uninsured. An assessment *for payroll paid by the uninsured employer for any time* prior to July 1, 1977, may not be made.

(2) The fund shall receive from an uninsured employer an amount equal to all benefits paid or to be paid from the fund to an injured

Actual* knowledge of *the* accident and injury on the part of *the* employer or *the employer's* managing agent or superintendent in charge of the work upon which the injured employee was engaged at the time of the injury *is* equivalent to *notice.*"

Section 7. Section 39-71-604, MCA, is amended to read:

(1) Where a worker is entitled to *benefits* under *this chapter,* the worker shall file with the *insurer or the division all reasonable information needed by the insurer to determine compensability. It is* the duty of *the worker's attending* physician to lend all necessary assistance in making application for compensation and such proof of other matters as may be required by the rules of the division without charge to the *worker.* The filing of *forms or other documentation by* the attending physician does not constitute a claim for compensation.

(2) Where death results from *an* injury, the parties entitled to compensation or someone in their behalf shall *file a claim with the insurer or the division.* The *claim* must be accompanied with proof of death and proof of relationship, showing the parties entitled to compensation, certificate of the attending physician, if any, and such other proof as may be required by the division."

Compensation — from what date paid. *No* compensation *may* be paid for the first *5 days loss of wages due to an* injury. *If loss of wages* continues *for more than 5 days*, compensation shall be paid from the date of injury. However, separate benefits of medical and hospital services shall be furnished from the date of injury."

An employee who is not employed at the time of application for certification must be certified as vocationally handicapped before entering new employment in order for the new employer to receive the benefits of this part.*"

Section 12. Section 39-71-906, MCA, is amended to read:

"39-71-906. Employer hiring or retaining certified vocationally handicapped person to file information with division — effect of failure to file. Upon commencement of employment or retention in employment of a certified vocationally handicapped person, the employer shall submit to the *division*, on forms furnished by the *division*, all pertinent information requested by the *division*. The *division* shall acknowledge receipt of the information. Failure to file the required information with the *division* within 60 days after the first day of the vocationally handicapped person's employment or retention in employment precludes the employer from the protection and benefits of this part unless the information is filed before an injury for which benefits are payable under this part."

Section 13. Section 39-71-2202, MCA, is amended to read:

"39-71-2202. Policies made subject to chapter. Every policy for insurance *written under compensation plan No. 2* shall be *considered* to be made subject to the provisions of this chapter."

The interest rate charged shall be set by the state fund at a reasonable rate. In determining what is a reasonable rate, the state fund shall review appropriate interest rates charged by financial institutions in this state.*"

Section 2. Section 39-72-305, MCA, is amended to read:

"39-72-305. Right to compensation exclusive remedy — uninsured employers. *(1)* The right to recover compensation pursuant to the provisions of this chapter for occupational diseases sustained by an employee and arising out of and in the course of employment, whether resulting in death or not, *is* the exclusive remedy therefor against *an* employer *who is properly insured under the Workers' Compensation Act and the Occupational Disease Act of Montana.*

(2) The provisions of the Workers' Compensation Act relating to uninsured employers and benefits due uninsured claimants apply to and are incorporated as part of this chapter."

Section 3. Section 39-72-402, MCA, is amended to read:

"39-72-402. Practice and procedure — applicability of Workers' Compensation Act. *(1) Except as otherwise provided in this chapter, the* practice and procedure prescribed in the Workers' Compensation Act *applies* to all proceedings under this chapter.

HeinOnline -- 1979 vol. I 265 1979

Section 4. Section 39-72-405, MCA, is amended to read:

"39-72-405. General limitations on payment of compensation to disabled employee — exceptions. (1) Except as provided for in this section, compensation may not be paid when the last day of the injurious exposure of the employee to the hazard of the occupational disease has occurred prior to July 1, 1959.

(2) Except as provided for in subsection *(3)* of this section, no compensation may be paid for silicosis unless during the 8 years immediately preceding the disablement the injured employee has been exposed to harmful quantities of silicon dioxide dust for a total period of not less than 1,000 workshifts in employment in this state and unless total disability results within *3* years from the last day upon which the employee actually worked for the employer against whom compensation is claimed.

(3) A silicotic employee who is discharged by his employer to escape liability for silicosis benefits under this chapter is eligible to receive compensation under this chapter when totally disabled if he has 700 actual workshifts since January 1, 1954, for that employer. When any employee in employment on or after January 1, 1959, because he has an occupational disease incurred in and caused by such employment which is not yet disabling, is discharged or transferred from the employment in which he is engaged or when he ceases his employment and it is in fact, as determined by the medical panel, inadvisable for him on account of a nondisabling occupational disease to continue in employment and he suffers wage loss by reason of the discharge, transfer, or cessation, the division may allow compensation on account thereof as it considers just, not exceeding $10,000."

Section 5. Section 39-72-406, MCA, is amended to read:

"39-72-406. General limitations on payment of death benefits — exceptions. Compensation shall be paid to the beneficiaries of every employee covered by this chapter in cases where death results from an occupational disease arising out of his employment, subject to the following conditions:

(1) Except as provided for in 39-72-405*(3)*, compensation may not be paid when the last day of injurious exposure of the employee to the hazards of the occupational diseases occurred prior to July 1, 1959.

(2) No compensation may be paid for death from silicosis unless during the 8 years immediately preceding the disablement the deceased employee has been exposed to harmful quantities of silicon dioxide dust for a period of not less than 1,000 workshifts in employment in this state.

(3) No compensation may be paid for death from silicosis unless the death results within *3* years from the last day upon which the employee actually worked for the employer against whom compensation is claimed, except in those cases where death results during a period of continuous total disability from silicosis for which compensation has been paid or awarded or for which a claim, compensable but for such death, is on file with the division. In such cases, compensation shall be paid *to the beneficiaries* if death results *from the silicosis*.

HeinOnline -- 1979 vol. I 266 1979

(4) No compensation may be paid for death from any occupational disease, other than silicosis or due to ionizing radiation, unless death results within *3 years* from the last day upon which the employee actually worked for the employer against whom compensation is claimed, except in those cases where death results during a period of continuous total disability from an occupational disease, other than silicosis or ionizing radiation, for which compensation has been paid or awarded or for which a claim, compensable but for such death, is on file with the division. In such cases, compensation shall be paid *to the beneficiaries* if death results *from the occupational disease.*"

Section 6. **Benefits for pneumoconiosis.** Pneumoconiosis is an occupational disease that is compensable under this chapter. However, any benefits granted a claimant under this chapter for pneumoconiosis must be reduced, but not below zero, by an amount equal to the benefits granted the claimant under any program under federal law that pays benefits for a claimant suffering disability from pneumoconiosis.

Section 7. Section 39-72-601, MCA, is amended to read:

"**39-72-601. Medical panel.** (1) The Montana medical association may, at least annually, certify to the division as nominees *10* or more licensed physicians of the state *to serve on the medical panel. At least three of the physicians must* have had at the time of certification at least 5 years' practice in the diagnosis, care, and treatment of pulmonary *diseases* and the interpretation of x-ray films. *At least three of the physicians must have had* at the time of certification qualifications in the diagnosis, care, and treatment of nonpulmonary occupational diseases.

(2) From the *list* submitted as provided for in this section, the division shall appoint *five* or more physicians to serve on the medical panel.

(3) If the Montana medical association fails to submit the *list* of nominees as provided for in this section, the division shall appoint *as* members *of* the medical *panel five* or more licensed physicians in the state. *Three of the panel members must* have had at the time of appointment at least 5 years' practice in the diagnosis, care, and treatment of *pulmonary* diseases and the interpretation of x-ray films.

(4) The panel members shall appoint one member of the panel to be the chairman."

Section 8. Section 39-72-602, MCA, is amended to read:

"**39-72-602. Insurer may accept liability — procedure for medical examination when insurer has not accepted liability.** *(1) An insurer may accept liability for a claim under this chapter based on information submitted to it by a claimant.*

(2) In order to determine the compensability of claims under this chapter *when an insurer has not accepted liability,* the following procedure *must* be followed:

(a) The division shall direct the claimant to a member of the medical panel for an examination. The *panel member* shall conduct an examination to determine whether the claimant is totally disabled and is suffering

HeinOnline -- 1979 vol. I 267 1979

from *an* occupational disease. The *panel member* shall submit a report of his findings to the division.

(b) Either the claimant or the insurer may, within 20 days after the receipt of the report by the first *panel member*, request that the claimant be examined by a second panel *member*. If a second examination is requested, the division shall direct the claimant to a second *panel member who* shall conduct an examination to determine whether he believes the claimant is totally disabled and is suffering from *an occupational* disease. The *panel member* shall submit a report of his findings to the division. When a second examination has been requested, the reports of the examinations shall be submitted to *three members of the* medical panel for review. *A medical panel member or the panel may, in order to assist the panel member or the panel in reaching a conclusion, consult with the claimant's attending physician.* The *three* panel *members* shall issue *a* report concerning the claimant's physical condition and whether the claimant is suffering from an occupational disease.

(c) If a second examination is not requested, the division shall issue its order determining whether the claimant is entitled to occupational disease benefits based on the report of the first examining physician. If a second examination is requested, the division shall issue its order based on the report of the *three members of the* medical panel.

(d) For the purpose of reviewing the reports of the examinations and issuing the report under subsection (2)(b), the three members of the medical panel shall be the two members of the panel who examined the claimant and the panel chairman. If the panel chairman has examined the claimant, the panel chairman shall appoint another member of the medical panel to be the third member."

Section 9. Section 39-72-605, MCA, is amended to read:

"**39-72-605. When occupational disease causes death.** When an occupational disease *is claimed to have caused* death and a claim for death benefits is filed therefor, the division shall select at least two physicians who in the division's judgment could properly determine the condition regarding the decedent's death in relation to a possible occupational disease, and the physicians shall examine all available evidence pertaining to the claim and shall make findings and report to the division. The report is prima facie evidence of fact as to the matters therein contained."

Section 10. Section 39-72-606, MCA, is amended to read:

"**39-72-606. Autopsy.** Upon the filing of a claim for compensation for death caused by an occupational disease where an autopsy is necessary to determine the cause of death, an autopsy shall be ordered by the division. The autopsy shall be made under the supervision of the county coroner. The division may designate a duly licensed physician who is a specialist in such examinations to perform or attend the autopsies and to certify his findings thereon. The findings shall be examined by the physicians submitting *a report* under 39-72-605 before the final *report* under *that section is* submitted to the division."

The expense of a reexamination shall be borne by the dissatisfied party requesting the reexamination. The expense of the periodic medical examinations, as provided in 39-72-607, shall be borne by the party requesting the periodic medical examination. The expense of the autopsy, as provided for in 39-72-606, shall be borne by the party requesting the autopsy."

Section 12. Section 39-72-610, MCA, is amended to read:

"39-72-610. Report of and examinations conducted by medical panel. *(1)* At a hearing held before the division or the workers' compensation judge, *there is a rebuttable presumption that* the report of the medical panel and *any* medical *examination reports* by members of the medical panel are *correct.*

(2) The claimant or the insurer may present additional medical information in order to rebut the medical examination report of a panel member or a panel report."

Section 13. Section 39-72-612, MCA, is amended to read:

"39-72-612. Rehearing and appeal to workers' compensation judge. (1) Within 20 days after the division has issued its order of determination as to whether the claimant is entitled to benefits under this chapter, a party may request a rehearing. In order to perfect an appeal to the workers' compensation judge, the appealing party must request a rehearing before the division. The division may grant a rehearing and, if a rehearing is granted, the division's final determination *may* not be issued until after the rehearing. If the division does not grant a rehearing, the division's final determination is issued on the date the rehearing is denied.

(2) Appeals from a final determination of the division shall be made to the workers' compensation judge *within 30 days after the division has issued its final determination.* The judge, after a hearing held pursuant to 39-71-2903 and 39-71-2904, shall make a final determination concerning the claimant's claim. The judge may overrule the division only on the basis that the division's determination is:

(a) in violation of constitutional or statutory provisions;

(b) in excess of the statutory authority of the agency;

(c) made upon unlawful procedure;

(d) affected by other error of law;

(e) clearly erroneous in view of the reliable, probative, and substantial evidence on the whole record; or

(f) arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion."

Section 14. **Costs and attorney fees.** (1) If an insurer requests that a hearing be held before the division and the claim is determined compensable by the division after the hearing and the insurer does not appeal the

HeinOnline -- 1979 vol. I 269 1979

division's decision to the workers' compensation judge, reasonable costs and attorney fees, as determined by the division, shall be paid to the claimant's attorney by the insurer.

(2) If an insurer appeals a decision of the division to the workers' compensation judge or from the judge to the supreme court and the claim is determined compensable, reasonable costs and attorney fees, as determined by the workers' compensation judge, shall be paid to the claimant's attorney by the insurer for proceedings before the division, the workers' compensation judge, and the supreme court.

Section 15. Section 39-72-703, MCA, is amended to read:

(2) Whenever there are contested issues as to an insurer's liability for a claim under this chapter, including a claim based on 39-72-405*(3)*, a claimant and an insurer may enter into a full and final compromise settlement of the claim. However, no such settlements are binding on the parties until approved by the division. After the division approves a full and final compromise settlement, the claim is closed and the insurer's liability for a settled claim is forever released."

Section 18. Section 39-71-201, MCA, is amended to read:

"39-71-201. Administration fund. (1) A workers' compensation administration fund is established out of which all costs of administering the Workers' Compensation and Occupational Disease Acts and the various occupational safety acts the division must administer are to be paid upon lawful appropriation. The following moneys collected by the division shall be deposited in the state treasury to the credit of the workers' compensation administrative fund and shall be used for the administrative expenses of the division:

The assessments shall be levied against the preceding calendar year's gross annual payroll of the plan No. 1 employers and the gross annual direct premiums collected in Montana on the policies of the plan No. 2 insurers, insuring employers covered under the chapter, during the preceding calendar year. However, no assessment of the plan No. 1 employer or plan No. 2 insurer shall be less than $200. The assessments shall be sufficient to fund the direct costs identified to the three plans and an equitable portion of the indirect costs based on the ratio of the preceding fiscal year's indirect costs distributed to the plans using proper accounting and cost allocation procedures. Plan No. 3 shall be assessed an amount sufficient to fund its direct costs and an equitable portion of the indirect costs as referred to above. Other sources of revenue, including unexpended funds from the preceding fiscal year, shall be used to reduce the costs before levying the assessments.

(2) The administration fund shall be debited with expenses incurred by the division in the general administration of the provisions of this chapter, including the salaries of its members, officers, and employees and the travel expenses of the members, officers, and employees, as provided for in 2-18-501 through 2-18-503, as amended, incurred while on the business of the division either within or without the state.

CHAPTER NO. 113

AN ACT TO AMEND SECTION 15-30-149, MCA, TO EXTEND, UNDER CERTAIN SPECIFIED CIRCUMSTANCES, THE PERIOD WITHIN WHICH REFUNDS MAY BE MADE BY THE DEPARTMENT OF REVENUE FOR THE OVERPAYMENT OF INCOME TAX; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-30-149, MCA, is amended to read:

"15-30-149. Credits and refunds — period of limitations. (1) If the department discovers from the examination of a return or upon claim duly filed by a taxpayer or upon final judgment of a court that the amount of income tax *collected* is in excess of the amount due or that any penalty or interest was erroneously or illegally collected, the amount of the overpayment shall be credited against any income tax, penalty, or interest then due from the taxpayer and the balance of such excess shall be refunded to the taxpayer.

(2) Effective with taxable years ending on or after December 31, 1959, no such credit or refund shall be allowed or made after 5 years from the date prescribed by statute for filing the return *or after 1 year from the date the overpayment occurred, whichever period expires later,* unless before the expiration of such period a claim therefor is filed by the taxpayer or the department has determined the existence of the overpayment and has approved the refund or credit thereof. *However, if an overpayment of tax results from a net operating loss carryback, the overpayment may be refunded or credited within the period that expires on the 15th day of the 40th month following the close of the taxable year of the net operating loss if that period expires later than 5 years from the due date of the return for the year to which the net operating loss is carried back.*

(3) Within 6 months after a claim for refund is filed, the department shall examine said claim and either approve or disapprove it. If said claim is approved, the credit or refund shall be made to the taxpayer within 60 days after the claim is approved; if the claim is disallowed, the department shall so notify the taxpayer and shall grant a hearing thereon upon proper application by the taxpayer. If the department disapproves a claim for refund, review of the determination of the department may be had as otherwise provided in this chapter.

(4) Except as hereinafter provided for, effective with taxable years ending on or after December 31, 1962, interest shall be allowed on overpayments at the rate of 6% per annum from the due date of the return or from the date of the overpayment (whichever date is later) to the date the department approves refunding or crediting of the overpayment. With respect to tax paid by withholding or by estimate, the date of overpayment shall be deemed to be the date on which the return for the taxable year was due. No interest shall accrue on an overpayment if the taxpayer elects to have it applied to his estimated tax for the succeeding taxable year, nor

HeinOnline -- 1979 vol. I 280 1979

shall interest accrue during any period the processing of a claim for refund is delayed more than 30 days by reason of failure of the taxpayer to furnish information requested by the department for the purpose of verifying the amount of the overpayment. No interest shall be allowed if:

(a) the overpayment is refunded within 6 months from the date the return is due or the date the return is filed, whichever date is later;

(b) the overpayment results from the carryback of a net operating loss; or

(c) the amount of interest is less than $1.

(5) An overpayment not made incident to a bona fide and orderly discharge of an actual income tax liability or one reasonably assumed to be imposed by this law shall not be considered an overpayment with respect to which interest is allowable."

Section 2. **Effective date.** This act is effective on its passage and approval.

Approved March 19, 1979.

(1) As cities other than those participating in the statewide police reserve fund provided for in Chapter 335, Laws of 1974, currently have local police *retirement* funds, the legislature finds and declares that the law regarding such funds, although in conflict with this chapter, cannot be repealed. It is the express intention of the legislature to allow two separate and distinct retirement systems to exist. The first, which includes local police *retirement* funds, applies to such cities, other than those of the first and second class, *that* wish to adopt it. The second, created by this chapter, applies to first- and second-class cities, those other cities *that* wish to adopt it, and any city *that* has adopted the above-mentioned statewide police reserve fund.

(2) The following may not be applied in any way to a city operating under the plan created by this chapter: 7-32-4107, 7-32-4120, 7-32-4131, and chapter 10 of this title."

Section 12. Section 19-9-1006, MCA, is amended to read:

"19-9-1006. Protection from legal process—nonassignability. *Except as provided in this chapter, the* benefits payable hereunder are not subject to the claims of any creditor of a member, beneficiary, or survivor or to attachment, garnishment, or other legal or equitable process *and no* member, beneficiary, or survivor may alienate, anticipate, commute, pledge, encumber, assign, or sell any of such benefits."

Section 13. Section 19-9-1007, MCA, is amended to read:

"19-9-1007. Supplement to certain pensions. (1) The payment for each fiscal year to the police officers, spouses, or minor children described in subsections (2)(a) through (2)(c) may be not less than one-half of the salary paid in that fiscal year in the appropriate city or town to newly confirmed police officers.

(2) On or before April 1 of each year, the department of administration shall make a report to the state auditor including the following information:

(a) the names of all police officers who are receiving payments from the *plan* as of the date of the report and were receiving payments *from a prior plan before* July 1, 1975;

(b) the names of all spouses or minor children who are receiving payments from the *plan* because of the death of a police officer who was receiving payments *from a prior plan before* July 1, 1975;

(c) the names of all spouses or minor children who are receiving payments from the *plan* and who were receiving payments *from a prior plan before* July 1, 1975, or in the case of minor children, whose parent, the spouse of a police officer, was receiving such payments prior to July 1, 1975;

(d) for the purpose of determining the base figure for the computations set forth in subsection (4), the following information relating to the base fiscal year commencing July 1, 1976:

(3) Each fiscal year immediately after the adoption by a city or town *participating in the plan* of its budget for that fiscal year, each such city or town shall report to the state auditor the salary for that fiscal year of a newly confirmed police officer of that city or town.

(4) The state auditor shall, upon receipt of the reports referred to in subsections (2) and (3), compute the difference between each amount reported under subsections (2)(d)(i) through (2)(d)(iii) and one-half the salary for the current fiscal year of a newly confirmed police officer of the appropriate city or town. The difference shall be paid by the state auditor out of the premium tax collected on insurance *sold in this state to insure against the risks enumerated in 19-11-512(5)* to the *administrator* at the same time as and in addition to the payment to be made by the state auditor under 19-9-702.

(5) The *administrator* shall use the funds *received under subsection (4)* to supplement the monthly payments to persons described in subsections (2)(a) through (2)(c) so that the requirements of subsection (1) are met.

(6) If more than one minor child is entitled to supplementary payments under this section by virtue of the death of a common parent police officer, the minimum payment to such minor children under this section shall be determined as if there were one such minor child and the supplementary payment shall be made to the minor children collectively."

One shall be selected each year between May 1 and May 10, so that their terms are staggered. Immediately after the selection has been made, a certificate of election *must* be certified to the city clerk by the chairman and secretary of the meeting at which the selection was made.

(3) The pension shall be paid out of the disability and pension fund and shall consist of monthly payments in an amount equal to the number of years of the firefighter's service divided by the number of years of service the firefighter would have had if he had remained in active duty as a member of a fire department until the date he would have both attained age 50 and completed 20 years of service, multiplied by one-half of the sum last received by the firefighter as a monthly compensation, excluding overtime and payments in lieu of sick leave and annual leave, for his services as an active member of the fire department.

(4) If the firefighter dies after he is permanently separated from service and before he both reaches the age of 50 years and *would have completed* 20 years of service as an active member of a fire department, the payments prescribed in subsection (3) shall be made to the surviving spouse commencing on the date the firefighter would have both reached his 50th birthday and completed 20 years of service as an active member of a fire department and terminating upon the surviving spouse's death or remarriage. (4) If the court is not satisfied, it shall promptly order a hearing to determine whether the person may safely be discharged or released. A hearing is considered a civil proceeding, and the burden is upon the committed person to prove by a preponderance of the evidence that he may safely be discharged or released. According to the determination of the court upon the hearing, the committed person shall then be discharged or released on conditions which the court determines to be necessary or shall be recommitted to the custody of the superintendent of Warm Springs state hospital, subject to discharge or release only in accordance with the *procedures* prescribed in this section *and 46-14-303.*"

(2) The defendant may appeal to the district court by giving written notice of his intention to appeal within 10 days after judgment.

(3) Within 30 days, the entire record of the justice's or city court proceedings *must* be transferred to the district court or the appeal *must* be dismissed. It is the duty of the defendant to perfect the appeal."

If such a restriction is to be imposed, the court shall state the reasons for it in writing. If the court finds that the restriction is necessary for the protection of society, it shall impose the restriction as part of the sentence and the judgment shall contain a statement of the reasons for the restriction.

(3) The judge in a justice's, city, or municipal court does not have the authority to restrict an individual's rights as enumerated in subsections (1) and (2)."

Section 23. Section 46-18-401, MCA, is amended to read:

"46-18-401. Merger of sentences. (1) Unless the judge otherwise orders:

(2) The court merging the sentences shall *immediately* furnish each of the other courts and penal institutions in which the defendant is confined under sentence with authenticated copies of its sentence, which *must* cite the sentences being merged.

(3) If an unexpired sentence is merged pursuant to subsection (1), the court which imposed such sentence shall modify it in accordance with the effect of the merger.

(4) Separate sentences *for* two or more *offenses* shall run concurrently unless the court otherwise orders.

(5) Except as provided in this subsection, *whenever* a prisoner is sentenced for an offense committed while he was imprisoned in the state prison or while he was released on parole or under the prisoner furlough program, the new sentence runs consecutively with the remainder of the original sentence. The prisoner starts serving the new sentence when the original sentence has expired or when he is released on parole under chapter 23, part 2, of this title in regard to the original sentence, whichever is sooner. In the latter case, the sentences run concurrently from the time of his release on parole."

Section 24. Section 46-20-318, MCA, is amended to read:

"46-20-318. Dismissal for failure to cause timely transmission — transmission at instance of respondent. (1) If the appellant *fails* to cause timely transmission of the record, any respondent may file a motion in the supreme court to dismiss the appeal. The motion *must* be supported by:

(a) a certificate of the clerk of the district court showing the date and substance of the judgment or order from which the appeal was taken, the date on which the notice of appeal was filed, and the expiration date of any order extending the time for transmitting the record; and

(b) proof that 7 days' notice in writing has been served on the appellant that application will be made for dismissal of the appeal.

(2) Instead of filing a motion to dismiss the appeal, the respondent may cause the record to be transmitted and may docket the appeal, in which event the appeal shall proceed as if the appellant had caused it to be docketed."

"46-23-108. Records and reports — confidentiality. The department shall keep a record of the board's acts and decisions available to the public. However, all social records, including the presentence report, the preparole report, and the supervision history obtained in the discharge of official duty by the department, *are* confidential and *may* not be disclosed directly or indirectly to anyone other than the members of the board or a judge. AN ACT TO GENERALLY REVISE AND CLARIFY THE LAWS RELATING TO CONTRACTS AND OTHER OBLIGATIONS AND REPEALING SECTION 64-104, R.C.M. 1947.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 28-1-103, MCA, is amended to read:

"28-1-103. What rules govern interpretation of contracts and other obligations. The rules which govern the interpretation of contracts are prescribed by this title and *Title 1*. Other obligations are interpreted by the same rules by which statutes of a similar nature are interpreted."

HeinOnline -- 1979 vol. I 313 1979

Section 2. Section 28-1-504, MCA, is amended to read:

"28-1-504. When obligation to be interpreted as though a particular alternative did not exist. If one of the alternative acts required by an obligation is such as the law will not enforce or becomes unlawful or impossible of performance, the obligation is to be interpreted as though the other *or others* stood alone."

Section 3. Section 28-1-1002, MCA, is amended to read:

"28-1-1002. When burden of obligation may be transferred. The burden of an obligation may be transferred with the consent of the party entitled to its benefits, but not otherwise, except as provided by *Title 70, chapter 17, part 2.*"

Section 4. Section 28-1-1103, MCA, is amended to read:

"28-1-1103. Performance to one of several joint creditors. An obligation in favor of several persons is extinguished by performance rendered to any of them, except in the case of a deposit made by owners in common or in joint ownership, which is regulated by Title 70, *chapter 6.*"

Section 5. Section 28-1-1106, MCA, is amended to read:

"28-1-1106. Application of performance when there are several obligations. *Whenever* a debtor under several obligations to another does an act by way of performance, in whole or in part, which is equally applicable to two or more of such obligations, such performance must be applied as follows:

(1) If, at the time of performance, the intention or desire of the debtor that such performance should be applied to the extinction of any particular obligation *is* manifested to the creditor, it must be so applied.

(2) If no such *intention or desire is* then *manifested*, the creditor, within a reasonable time after such performance, may apply it toward the extinction of any obligation performance of which was due to him from the debtor at the time of such performance, except that if similar obligations were due to him, both individually and as a trustee, he must, unless otherwise directed by the debtor, apply the performance to the extinction of all such obligations in equal proportion. *An* application once made by the creditor cannot be rescinded without the consent of the debtor.

(3) If application *is not made as prescribed in subsection (1) or (2)* within the time prescribed, the performance must be applied to the extinction of obligations in the following order and, if there *is* more than one obligation of a particular class, to the extinction of all in that class, ratably:

(a) first—interest due at the time of the performance;

(b) second—principal due at that time;

(c) third—the obligation earliest in date of maturity;

(d) fourth—an obligation not secured by a lien or collateral undertaking;

HeinOnline -- 1979 vol. I 314 1979

(e) fifth—an obligation secured by a lien or collateral undertaking."

Section 6. Section 28-1-1111, MCA, is amended to read:

"28-1-1111. Receipt for money, instrument, or property delivered. Whoever pays money or delivers an instrument or property is entitled to a *written* receipt therefor from the person to whom the payment or delivery is made and may demand a proper signature to such receipt as a condition of the payment or delivery."

Section 7. Section 28-1-1202, MCA, is amended to read:

"28-1-1202. Effect of offer. (1) *An offer in writing to pay a particular sum of money or to deliver a written instrument or specific personal property is, if not accepted, equivalent to the actual production and tender of the money, instrument, or property.*

(2) An offer of payment or other performance duly made stops the running of interest on the obligation and has the same effect upon all incidents *of the obligation* as a performance thereof, *whether or not the title to anything offered is transferred to the creditor.*"

Section 8. Section 28-1-1205, MCA, is amended to read:

"28-1-1205. To whom offer must be made. An offer of performance must be made to the creditor, to any one or more joint creditors, or to a person authorized by one or more of them to receive or collect what is due under the obligation."

Section 9. Section 28-1-1212, MCA, is amended to read:

"28-1-1212. Objections to mode of offer — waiver. All objections to the mode of an offer of performance which the creditor has an opportunity to state at the time to the person making the offer and which could then *be* obviated by *such person* are waived by the creditor if not then stated. *If the objection is to the amount of money, the terms of the instrument, or the amount or kind of property offered, the creditor must specify the amount, terms, or kind which he requires.*"

Section 10. Section 28-1-1303, MCA, is amended to read:

"28-1-1303. Effect when performance prevented by other causes. If *full* performance of an obligation is prevented by any cause excusing performance other than the act of the creditor, the debtor is entitled to a ratable proportion of the consideration to which he would have been entitled upon full performance, according to the benefit which the creditor receives from the actual performance."

Section 11. Section 28-2-102, MCA, is amended to read:

"28-2-102. Essential elements of a contract. It is essential to the existence of a contract that there be:

"28-2-201. Who may contract. All persons are capable of contracting except minors, persons of unsound mind, and persons deprived of civil rights. Minors and persons of unsound mind have only such capacity as is defined by *this part*, 28-10-104, and Title 41, chapter 1."

Section 13. Section 28-2-206, MCA, is amended to read:

"28-2-206. Assignment of nonnegotiable written contract. A nonnegotiable written contract for the payment of money or *the delivery of* personal property may be transferred by endorsement *the same as a* negotiable *instrument*. Such endorsement *transfers* all the rights of the assignor under the *contract* to the assignee, subject to all equities and defenses existing in favor of the maker at the time of the endorsement *or arising before notice of the assignment is received by him*."

Section 14. Section 28-2-403, MCA, is amended to read:

(3) injury to the character of any such person."

Section 15. Section 28-2-501, MCA, is amended to read:

"28-2-501. How consent is communicated. (1) Consent can be communicated with effect only by some act or omission of the party contracting by which he intends to communicate it or which necessarily tends to such communication.

(2) If a proposal prescribes any conditions concerning the communication of its acceptance, the proposer is not bound unless they are conformed to; but in other cases, any reasonable and usual mode *in conformity with subsection (1)* may be adopted."

Section 16. Section 28-2-502, MCA, is amended to read:

"28-2-502. When consent is considered fully communicated. Consent is *considered* to be fully communicated between the parties as soon as the party accepting a proposal has put his acceptance in the course of transmission to the proposer in conformity *with 28-2-501*."

Section 17. Section 28-2-504, MCA, is amended to read:

"28-2-504. Acceptance to be absolute. An acceptance must be absolute and unqualified or must include in itself an acceptance of that character which the proposer can separate from the rest and which will *bind* the person accepting. A qualified acceptance is a new proposal."

Section 18. Section 28-2-512, MCA, is amended to read:

HeinOnline -- 1979 vol. I 316 1979

"28-2-512. How proposal revoked. A proposal is revoked by:

(1) the communication of notice of revocation by the proposer to the other party in the manner prescribed by *28-2-501* and 28-2-502 before his acceptance has been communicated to the former;

(2) the lapse of the time prescribed in such proposal for its acceptance or, if no time is so prescribed, the lapse of a reasonable time without communication of the acceptance;

(3) the failure of the acceptor to fulfill a condition precedent to acceptance; or

(4) the death or *serious mental illness* of the proposer."

Section 21. Section 28-2-903, MCA, is amended to read:

"28-2-903. What contracts must be in writing. (1) The following *agreements* are invalid unless the same or some note or memorandum thereof *is* in writing and subscribed by the party to be charged or his agent:

(a) an agreement that by its terms is not to be performed within a year from the making thereof;

(b) a special promise to answer for the debt, default, or miscarriage of another, except in the cases provided for in 28-11-105;

(c) an agreement made upon consideration of marriage other than a mutual promise to marry;

(d) an agreement for the leasing for a longer period than 1 year or for the sale of real property or of an interest therein. Such agreement, if made by an agent of the party sought to be charged, is invalid unless the authority of the agent *is* in writing *and* subscribed by the party sought to be charged.

(e) an agreement authorizing or employing an agent or broker to purchase or sell real estate for compensation or a commission.

(2) *Evidence* of *an* agreement *described in (a) through (d) of subsection (1) is not admissible* without the writing or secondary evidence of its contents.

HeinOnline -- 1979 vol. I 317 1979

(3) No evidence is admissible to charge a person upon a representation as to the credit of a third person unless such representation or some memorandum thereof *is* in writing and either subscribed by or in the handwriting of the party to be charged.

(4) Subsections (1) and (2) *do* not apply to agreements subject to the Uniform Commercial Code."

Section 22. Section 28-2-905, MCA, is amended to read:

(1) *Whenever* the terms of an agreement have been reduced to writing by the parties, it is to be considered as containing all those terms. *Therefore,* there can be between the parties and their representives or successors in interest no evidence of the terms of the agreement other than the contents of the writing except in the following cases:

(a) *when* a mistake or imperfection of the writing is put in issue by the pleadings;

(b) *when* the validity of the agreement is the fact in dispute.

(2) *This* section does not exclude other evidence of the circumstances under which the agreement was made or to which it relates, as *described* in 1-4-102, or *other evidence* to explain an extrinsic ambiguity or to establish illegality or fraud.

(2) if, through the fault of the party as to whom he rescinds, the consideration for his obligation fails in whole or in part;

(3) if such consideration becomes entirely void from any cause;

(4) if such consideration, before it is rendered to him, fails in a material respect from any cause; or

(5) *if* all the other parties *consent.*"

HeinOnline -- 1979 vol. I 318 1979

Section 25. Section 28-3-206, MCA, is amended to read:

"28-3-206. Uncertainty to be resolved against party causing it. In cases of uncertainty not removed by parts 1 through 5 of this chapter, the language of a contract should be interpreted most strongly against the party who caused the uncertainty to exist. The promisor is presumed to be such party, except *that* in *the case of* a contract between a public officer or body, as such, and a private party, it is presumed that all uncertainty was caused by the private party."

Section 26. Section 28-3-403, MCA, is amended to read:

"28-3-702. Necessary and incidental terms. All things that in law or usage are considered as incidental to a contract or as necessary to carry it into effect are implied therefrom unless some of them are expressly mentioned therein, *in which case* all other things of the same class are *considered* to be excluded."

"28-10-104. Who may appoint an agent, who may be an agent. Any person having capacity to contract, *except a minor,* may appoint an agent, and any person may be an agent."

Section 29. Section 28-10-211, MCA, is amended to read:

"28-10-211. How agent's act ratified. A ratification can be made only in the manner that would have been necessary to confer an original authority for the act ratified or, *whenever* an oral authorization would suffice, by *knowingly* accepting or *retaining* the benefit of the act."

Section 30. Section 28-10-301, MCA, is amended to read:

"28-10-703. Responsibility of agent when third person claims property received for principal. If an agent receives anything for the benefit of his principal to the possession of which another person is entitled, he must, on demand, surrender it to such person, or so much of it as he has under his control at the time of demand, on being indemnified for any advance which he has made to his principal, in good faith, on account of the same. *He* is responsible therefor if, after *such demand*, he delivers it to his principal."

Section 34. Section 28-10-704, MCA, is amended to read:

"28-10-704. Applicability of laws relating to capacity to contract. The provisions of this part are subject to the provisions of *chapter 2, part 2;* 28-10-104*;* and Title 41, chapter 1."

Therefore, a person has the same relation by affinity to his spouse's blood relatives as his spouse has to them by consanguinity and vice versa.

(2) Degrees of relationship by affinity are computed in the same manner as degrees of relationship by consanguinity.

(3) Notwithstanding subsection (1), the term "affinity" includes the relation of husband and wife. Husband and wife are considered to be related by affinity in the first degree.

(3) a notary public; or

(4) any other officer of the state or territory where the acknowledgment is made, authorized by its laws to take such proof or acknowledgment."

Section 4. Section 1-5-105, MCA, is amended to read:

"1-5-105. Notarial acts by officers in the armed services. (1) In addition to the acknowledgment of instruments and the performance of other notarial acts in the manner and form otherwise authorized by law, instruments may be acknowledged, documents attested, oaths and affirmations administered, depositions and affidavits executed, and other notarial acts performed before or by any commissioned officer in active service of the armed forces of the United States with the rank of second lieutenant or higher in the army or marine corps, with the rank of ensign or higher in the navy or coast guard, or with equivalent rank in any other component part of the armed forces of the United States, *at the request of* any person who:

CHAPTER NO. 136

AN ACT TO GENERALLY REVISE AND CLARIFY THE LAW RELATING TO BOATS AND SNOWMOBILES; AMENDING SECTIONS 23-2-511, 23-2-512, 23-2-513, 23-2-514, 23-2-529, AND 23-2-632, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 23-2-511, MCA, is amended to read:

"23-2-511. Operation of unnumbered motorboats prohibited — display of decals. (1) Every motorboat on the waters of this state, propelled by a motor or an engine of any description, *must* be properly numbered and display valid license decals. No person may operate or give permission for the operation of any motorboat on such waters unless the motorboat is numbered and displays valid license decals in accordance with this part, with applicable federal law, or with a federally approved numbering system of another state and unless:

(a) the certificate of number *assigned* to the motorboat is in full force and effect; and

(b) the identifying number set forth in the certificate of number and the valid license decals are displayed on such motorboat.

(2) Any person who operates a motorboat on the waters of this state without displaying the appropriate numbers and license decals as required by this section is punishable by a fine not to exceed $10. However, the arresting officer may issue a courtesy citation in lieu of the penalty provided for in this subsection."

Section 2. Section 23-2-512, MCA, is amended to read:

"23-2-512. Identification number. (1) The owner of each motorboat requiring numbering by this state shall file an application for number

HeinOnline -- 1979 vol. I 339 1979

in the office of the county treasurer where the motorboat is owned or taxable on forms prepared and furnished by the division of motor vehicles. The application *must* be signed by the owner of the motorboat and be accompanied by a fee of $1. Any alteration, change, or false statement contained in the application will render the certificate of number void. Upon receipt of the application in approved form, the county treasurer shall issue to the applicant a certificate of number prepared and furnished by the division of motor vehicles, stating the number *assigned* to the motorboat and the name and address of the owner.

(2) Before filing the application with the county treasurer, the applicant shall submit it to the county assessor, who shall enter on the application, in a space to be provided for that purpose, the market value and taxable value of the motorboat for the year for which the application for registration is made.

(3) The applicant, upon the filing of the application, shall pay to the county treasurer the registration fee and the personal property taxes assessed against the motorboat or vessel for the current year of registration before the application for registration or reregistration may be accepted by the county treasurer.

(4) Should the ownership of a motorboat change, a new application form with fee *must* be filed within a reasonable time with the county treasurer and a new certificate of number *assigned* in the same manner as provided for in an original *assignment* of number.

(5) If an agency of the United States government has in force a comprehensive system of identification numbering for motorboats in the United States, the numbering system employed pursuant to this part by the division of motor vehicles *must* be in conformity.

(6) Every certificate of number and the license decals *assigned* under this part *continues* in effect for a period not to exceed 1 year unless terminated or discontinued in accordance with the provisions of this part. Certificates of number and license decals *must* show the date of expiration and may be renewed by the owner in the same manner provided for in the initial securing of the certificate.

(7) Certificates of number expire on April 30 of each year and may not be in effect unless renewed under this part.

(8) In event of transfer of ownership, the purchaser shall furnish the county treasurer notice within a reasonable time of the acquisition of all or any part of his interest, other than the creation of a security interest, in a motorboat numbered in this state or of the loss, theft, destruction, or abandonment of the motorboat. The transfer, loss, theft, destruction, or abandonment terminates the certificate of number for the motorboat. Recovery from theft or transfer of a part interest that does not affect the owner's right to operate the motorboat does not terminate the certificate of number.

(9) A holder of a certificate of number shall notify the county treasurer within reasonable time if his address no longer conforms to the address appearing on the certificate and furnish the county treasurer with his new

HeinOnline -- 1979 vol. I 340 1979

address. The division of motor vehicles may provide by rule for the surrender of the certificate bearing the former address and its replacement with a certificate bearing the new address or the alteration of an outstanding certificate to show the new address of the holder.

(10) (a) The number *assigned* must be painted on or attached to each outboard side of the forward half of the motorboat or, if there are no such sides, at a corresponding location on both outboard sides of the foredeck of the motorboat. The number *assigned must* read from left to right in Arabic numerals *and* block characters of good proportion at least 3 inches tall excluding border or trim of a color that contrasts with the color of the background and be so maintained as to be clearly visible and legible. The number may not be placed on the obscured underside of the flared bow where it cannot be easily seen from another vessel or ashore. No numerals, letters, or devices other than those used in connection with the identifying number issued may be placed in the proximity of the identifying number. No numerals, letters, or devices *that* might interfere with the ready identification of the motorboat by its identifying number may be carried as to interfere with the motorboat's identification. No number other than the number and license decal *assigned* to a motorboat or granted reciprocity under this part *may* be painted, attached, or otherwise displayed on either side of the forward half of the motorboat.

(b) The certificate of number shall be pocket size and available to federal, state, or local law enforcement officers at all reasonable times for inspection on the motorboat whenever the motorboat is on waters of this state.

(c) Boat liveries are not required to have the certificate of number on board each motorboat, but a rental agreement must be carried on board livery motorboats in place of the certificate of number.

(11) Fees collected under this section shall be transmitted to the state treasurer who shall deposit the fees in the motorboat certificate identification account of an earmarked revenue fund. These fees shall be used only for the administration and enforcement of this part, as amended.

(12) An owner of a motorboat must within a reasonable time notify the division of motor vehicles, giving the motorboat's identifying number and the owner's name when that motorboat becomes documented as a vessel of the United States or is transferred, lost, destroyed, abandoned, or frauded or within 60 days after change of state of principal use."

Section 3. Section 23-2-513, MCA, is amended to read:

"23-2-513. Dealer's identification number. (1) A dealer or manufacturer may apply directly to the division of motor vehicles for one identifying number and one or more certificates of number. A dealer's or manufacturer's identifying number shall be displayed on his boat while the boat is operating for a purpose related to the buying, selling, or exchanging of the boat by the dealer or manufacturer.

(2) The application for a dealer's or manufacturer's identifying number *must* include his name and business address. Each dealer or manufacturer will have one identifying number assigned to his business.

HeinOnline -- 1979 vol. I 341 1979

(3) An application for dealer's or manufacturer's identifying number and certificate of number must be accompanied by the following fees:

(a) for the identifying number, first certificate of number, and set of license decals, $5;

(b) for each additional certificate of number and set of license decals applied for in any application, $2.

(4) The division of motor vehicles shall issue certificates of number for the identifying numbers *assigned* to a dealer or manufacturer in the same manner as provided in 23-2-512(1) and (10), as amended, except that no boat *may* be described in the certificate and each certificate *must* state that the identifying number has been *assigned* to a dealer or manufacturer. A dealer's or manufacturer's certificate of number expires on April 30 of the year for which it is issued.

(5) A dealer's or manufacturer's identifying number shall be displayed in the same manner as provided in 23-2-512(10), as amended, except that the number may be temporarily attached. The last three letters shall be "DLR" for dealer and "MFR" for manufacturer. These letters shall be included, respectively, in dealer or manufacturer identification numbers only.

(6) No person other than a dealer or manufacturer or an employee of a dealer or manufacturer may display or use a dealer's or manufacturer's identifying number. A dealer's or manufacturer's identifying number may be displayed only on motorboats owned by the dealer or manufacturer.

(7) No dealer or manufacturer or employee of a dealer or manufacturer may use a dealer's or manufacturer's identifying number for any purpose other than the purpose described in subsection (1) of this section."

Section 4. Section 23-2-514, MCA, is amended to read:

"23-2-514. Exemption from numbering provisions. A motorboat *is* not required to be numbered under this part if it is:

(1) covered by a number in full force and effect *that* has been *assigned* to it pursuant to federal law or a federally approved numbering system of another state, provided that such vessel shall not have been within this state for a period in excess of 60 consecutive days. After 60 consecutive days within this state, this state becomes the motorboat's state of principal use and the owner must apply for a Montana number, certificate of number, and license decal.

(2) a motorboat from a country other than the United States temporarily using the waters of this state;

(3) a motorboat whose owner is the United States, a state, or subdivision thereof;

(4) a ship's lifeboat."

Section 5. Section 23-2-529, MCA, is amended to read:

"23-2-529. Water skis and surfboards. (1) No person may operate a motorboat or vessel on any waters of this state for the purpose of

HeinOnline -- 1979 vol. I 342 1979

towing a person or persons on water skis, a surfboard, or similar device unless the operator is at least 12 years of age and there is a second person, at least 12 years of age, in the vessel to observe the person being towed.

(2) No person may engage in waterskiing, surfboarding, or similar activity or towing some other contrivances at any time between the hours from 1 hour after sunset to 1 hour before sunrise, except that this subsection does not apply to a performer engaged in a professional exhibition or a person engaged in a regatta or race authorized under this part.

(3) All right-of-way rules applying to *a* towing vessel apply *to a person being towed.*"

Section 6. Section 23-2-632, MCA, is amended to read:

"23-2-632. Unlawful operation on streets and highways. *(1)* It is unlawful for *a* person to operate *a* snowmobile *on* a public street or highway:

(a) at a rate of speed greater than provided by law for motor vehicles;

(b) while under the influence of intoxicating liquor or narcotics or habit-forming drugs;

(c) in a careless or reckless manner so as to endanger the person or property of another or to cause injury or damage to either; or

(d) if that person by reason of age or mental or physical disability is incapable of operating the snowmobile safely under the prevailing circumstances.

(2) It is unlawful to permit the operation *of a snowmobile on a public street or highway* by *a* person who by reason of age or physical or mental disability is incapable of operating the snowmobile *safely* under the prevailing circumstances."

Approved March 20, 1979.

CHAPTER NO. 137

AN ACT TO GENERALLY REVISE AND CLARIFY THE LAW RELATING TO TRADE AND COMMERCE; AMENDING SECTIONS 30-7-102, 30-7-210, 30-9-105, 30-10-201, 30-11-115, 30-12-1002, 30-13-133, 30-14-142, 30-14-224, AND 30-14-506, MCA; AND REPEALING SECTIONS 67-1705, 84-2805 THROUGH 84-2812, AND 85-201 THROUGH 85-208, R.C.M. 1947.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 30-7-102, MCA, is amended to read:

"30-7-102. Definitions and index of definitions. (1) In this chapter, unless the context otherwise requires:

(a) "Bailee" means the person who by a warehouse receipt, bill of lading or other document of title acknowledges possession of goods and contracts to deliver them.

(b) "Consignee" means the person named in a bill to whom or to whose order the bill promises delivery.

(c) "Consignor" means the person named in a bill as the person from whom the goods have been received for shipment.

(d) "Delivery order" means a written order to deliver goods directed to a warehouseman, carrier or other person who in the ordinary course of business issues warehouse receipts or bills of lading.

(e) "Document" means document of title as defined in 30-1-201*(15)*.

(f) "Goods" means all things which are treated as movable for the purposes of a contract of storage or transportation.

(g) "Issuer" means a bailee who issues a document except that in relation to an unaccepted delivery order it means the person who orders the possessor of goods to deliver. Issuer includes any person for whom an agent or employee purports to act in issuing a document if the agent or employee has real or apparent authority to issue documents, notwithstanding that the issuer received no goods or that the goods were misdescribed or that in any other respect the agent or employee violated his instructions.

(h) "Warehouseman" is a person engaged in the business of storing goods for hire.

(2) Other definitions applying to this chapter or to specified parts thereof, and the sections in which they appear are:

"Duly negotiate". 30-7-501.

"Person entitled under the document". 30-7-403(4).

(3) Definitions in other chapters applying to this chapter and the sections in which they appear are:

"Contract for sale". 30-2-106.

"Overseas". 30-2-323.

"Receipt" of goods. 30-2-103.

(4) In addition Chapter 1 contains general definitions and principles of construction and interpretation applicable throughout this chapter."

Section 2. Section 30-7-210, MCA, is amended to read:

"30-7-210. Enforcement of warehouseman's lien. (1) Except as provided in subsection (2), a warehouseman's lien may be enforced by public or private sale of the goods in *block* or in parcels, at any time or place and on any terms which are commercially reasonable, after notifying all persons known to claim an interest in the goods. *The* notification must include a statement of the amount due, the nature of the proposed sale

HeinOnline -- 1979 vol. I 344 1979

and the time and place of any public sale. The fact that a better price could have been obtained by a sale at a different time or in a different method from that selected by the warehouseman is not of itself sufficient to establish that the sale was not made in a commercially reasonable manner. If the warehouseman either sells the goods in the usual manner in any recognized market therefor, or if he sells at the price current in such market at the time of his sale, or if he has otherwise sold in conformity with commercially reasonable practices among dealers in the type of goods sold, he has sold in a commercially reasonable manner. A sale of more goods than apparently necessary to be offered to insure satisfaction of the obligation is not commercially reasonable except in cases covered by the preceding sentence.

(2) A warehouseman's lien on goods other than goods stored by a merchant in the course of his business may be enforced only as follows:

(a) All persons known to claim an interest in the goods must be notified.

(b) The notification must be delivered in person or sent by registered or certified letter to the last known address of any person to be notified.

(c) The notification must include an itemized statement of the claim, a description of the goods subject to the lien, a demand for payment within a specified time not less than 10 days after receipt of the notification, and a conspicuous statement that unless the claim is paid within that time the goods will be advertised for sale and sold by auction at a specified time and place.

(d) The sale must conform to the terms of the notification.

(e) The sale must be held at the nearest suitable place to that where the goods are held or stored.

(f) After the expiration of the time given in the notification, an advertisement of the sale must be published once a week for 2 weeks consecutively in a newspaper of general circulation where the sale is to be held. The advertisement must include a description of the goods, the name of the person on whose account they are being held, and the time and place of the sale. The sale must take place at least 15 days after the first publication. If there is no newspaper of general circulation where the sale is to be held, the advertisement must be posted at least 10 days before the sale in not less than six conspicuous places in the neighborhood of the proposed sale.

(3) Before any sale pursuant to this section any person claiming a right in the goods may pay the amount necessary to satisfy the lien and the reasonable expenses incurred under this section. In that event the goods must not be sold, but must be retained by the warehouseman subject to the terms of the receipt and this chapter.

(4) The warehouseman may buy at any public sale pursuant to this section.

(5) A purchaser in good faith of goods sold to enforce a warehouseman's lien takes the goods free of any rights of persons against

HeinOnline -- 1979 vol. I 345 1979

whom the lien was valid, despite noncompliance by the warehouseman with the requirements of this section.

(6) The warehouseman may satisfy his lien from the proceeds of any sale pursuant to this section but must hold the balance, if any, for delivery on demand to any person to whom he would have been bound to deliver the goods.

(7) The rights provided by this section shall be in addition to all other rights allowed by law to a creditor against his debtor.

(8) Where a lien is on goods stored by a merchant in the course of his business the lien may be enforced in accordance with either subsection (1) or (2).

(9) The warehouseman is liable for damages caused by failure to comply with the requirements for sale under this section and in case of willful violation is liable for conversion."

Section 3. Section 30-9-105, MCA, is amended to read:

"30-9-105. Definitions and index of definitions. (1) In this chapter unless the context otherwise requires:

(a) "Account debtor" means the person who is obligated on an account, chattel paper, contract right or general intangible;

(b) "Chattel paper" means a writing or writings which evidence both a monetary obligation and a security interest in or a lease of specific goods. When a transaction is evidenced both by such a security agreement or a lease and by an instrument or a series of instruments, the group of writings taken together constitutes chattel paper;

(c) "Collateral" means the property subject to a security interest, and includes accounts, contract rights and chattel paper which have been sold;

(d) "Debtor" means the person who owes payment or other performance of the obligation secured, whether or not he owns or has rights in the collateral, and includes the seller of accounts, contract rights or chattel paper. *When* the debtor and the owner of the collateral are not the same person, the term "debtor" means the owner of the collateral in any provision of the chapter dealing with the collateral, the obligor in any provision dealing with the obligation, and may include both where the context so requires;

(e) "Document" means document of title as defined in 30-1-201*(15)*;

(f) "Goods" includes all things which are movable at the time the security interest attaches or which are fixtures (30-9-313), but does not include money, documents, instruments, accounts, chattel paper, general intangibles, contract rights and other things in action. "Goods" also *includes* the unborn young of animals and growing crops;

(g) "Instrument" means a negotiable instrument (defined in 30-3-104), or a security (defined in 30-8-102) or any other writing which evidences a right to the payment of money and is not itself a security agreement or

HeinOnline -- 1979 vol. I 346 1979

lease and is of a type which is in ordinary course of business transferred by delivery with any necessary endorsement or assignment;

(h) "Security agreement" means an agreement which creates or provides for a security interest;

(i) "Secured party" means a lender, seller or other person in whose favor there is a security interest, including a person to whom accounts, contract rights or chattel paper have been sold. When the holders of obligations issued under an indenture of trust, equipment trust agreement or the like are represented by a trustee or other person, the representative is the secured party.

(2) Other definitions applying to this chapter and the sections in which they appear are:

"Account". 30-9-106.

"Consumer goods". 30-9-109(1).

"Contract right". 30-9-106.

"Equipment". 30-9-109(2).

"Farm products". 30-9-109(3).

"General intangibles". 30-9-106.

"Inventory". 30-9-109(4).

"Lien creditor". 30-9-301(3).

"Proceeds". 30-9-306(1).

"Purchase money security interest". 30-9-107.

(3) The following definitions in other chapters apply to this chapter:

"Check". 30-3-104.

"Contract for sale". 30-2-106.

"Holder in due course". 30-3-302.

"Note". 30-3-104.

(4) In addition Chapter 1 contains general definitions and principles of construction and interpretation applicable throughout this chapter."

Section 4. Section 30-10-201, MCA, is amended to read:

"30-10-201. Registration of broker-dealers, salesmen, and investment advisers. (1) It is unlawful for any person to transact business in this state as a broker-dealer or salesman, except in transactions exempt under 30-10-105, unless he is registered under parts 1 through 3 of this chapter. It is unlawful for any person to transact business in this state as an investment adviser unless:

(a) he is so registered under parts 1 through 3 of this chapter;

(b) he is registered as a broker-dealer under parts 1 through 3 of this chapter; or

(c) his only clients in this state are investment companies, as defined in the Investment Company Act of 1940, or insurance companies.

(2) A broker-dealer or a salesman, acting as an agent for an issuer or as an agent for a broker-dealer in the offer or sale of securities for an issuer, or an investment adviser may apply for registration by filing with the commissioner an application in such form as the commissioner prescribes and payment of the fee prescribed in 30-10-209. Except for persons in the employ of brokerage firms governed by the regulations of the securities and exchange commission, all salesmen must be legal residents of this state and must have actually resided in this state for a period of at least 1 year next prior to the date of application for registration. The commissioner may, upon request and for good cause shown by an applicant, waive the residency requirement. Salesmen shall also file with the commissioner a bond of a surety company duly authorized to transact business in this state. The bond shall be in the sum of $5,000, payable to the state of Montana and conditioned upon the faithful compliance with the provisions of parts 1 through 3 of this chapter, and provide that upon failure to so comply, the salesman shall be liable to any and all persons who may suffer loss by reason thereof.

(3) The application shall contain whatever information the commissioner requires.

(4) If no denial order is in effect and no proceeding is pending under subsection (8) of this section, registration becomes effective at noon of the 30th day after an application is filed. The commissioner may specify an earlier effective date, and he may by order defer the effective date for an additional 60 days. The effective day after the filing of any amendment shall be noon of the 30th day thereafter unless otherwise accelerated by the commissioner.

(5) Registration of a broker-dealer, salesman, or investment adviser shall be effective until March 1 following such registration and may be renewed. The registration of a salesman is not effective during any period when he is not associated with an issuer or a registered broker-dealer specified in his application. When a salesman begins or terminates a connection with an issuer or registered broker-dealer, the salesman and the issuer or broker-dealer shall promptly notify the commissioner.

(6) Registration of a broker-dealer, salesman, or investment adviser may be renewed by filing with the commissioner prior to the expiration thereof an application containing such information as the commissioner may require to indicate any material change in the information contained in the original application or any renewal application for registration as a broker-dealer, salesman, or investment adviser filed with the commissioner by the applicant, payment of the prescribed fee, and, in the case of a broker-dealer, *by filing* a financial statement showing the financial condition of such broker-dealer as of a date within 90 days. A registered broker-dealer or investment adviser may file an application for registration of a successor, to become effective upon approval of the commissioner.

(8) The commissioner may by order deny, suspend, or revoke registration of any broker-dealer, salesman, or investment adviser if he finds that the order is in the public interest and that the applicant or registrant or, in the case of a broker-dealer or investment adviser, any partner, officer, or director:

(a) has filed an application for registration under this section which, as of its effective date or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

(i) the commissioner may not institute a revocation or suspension proceeding under this subsection (f) more than 1 year from the date of the order relied on; and

(h) is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature, but the commissioner may not enter an order against a broker-dealer or investment adviser under this subsection (h) without a finding of insolvency as to the broker-dealer or investment adviser;

(i) has not complied with a condition imposed by the commissioner under subsection (8) of this section or is not qualified on the basis of such factors as training, experience, or knowledge of the securities business; or

The commissioner may by order summarily postpone or suspend registration pending final determination of any proceeding under this section.

(9) Upon the entry of the order under subsection (8) of this section, the commissioner shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is a salesman, that it has been entered and of the reasons therefor and that if requested by the applicant or registrant within 15 days after the receipt of the commissioner's notification the matter will be promptly set down for hearing. If no hearing is requested within 15 days and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing, may affirm, modify, or vacate the order.

(10) If the commissioner finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, investment adviser, or salesman or is subject to an adjudication of mental incompetence or to the control of a committee, conservator, or guardian or cannot be located after reasonable search, the commissioner may by order cancel the registration or application."

If the licensee is a partnership or if more than one person has any interest in the business operated under the license, the names of all persons in the partnership or interested in the business must appear on the license. Every license must be posted in a conspicuous place on the premises wherein the business authorized under the license is conducted, and such license shall be exhibited upon request to any authorized representative of the department or to any peace officer of the state of Montana.

(2) Any license issued under the provisions of this part shall be considered a privilege personal to the licensee named in the license and shall be good until the expiration of the license unless sooner revoked or suspended.

(3) A license may be transferred to the executor or administrator of the estate of any deceased licensee when such estate consists in whole or in part of the business of selling liquor under a license, and in such event the license may descend or be disposed of with the business to which it is applicable under appropriate probate proceedings.

(iii) the department finds, after a public hearing, that the public convenience and necessity would be served by such a transfer.

(b) A license transferred between quota areas under this section may not be mortgaged or pledged as security and may not be transferred to another person except for a transfer by inheritance upon the death of the licensee. A license transferred between quota areas under this section may be held only by natural persons. For the purpose of this section, natural persons shall not include limited partnerships or other business entities of any kind in which each natural person is not a full participant in the ownership and operation of the business authorized by the license.

If any municipality determines that the public interest and the interests of the municipality will be served by assisting any other municipality or municipalities in exercising the powers and authority granted by this *chapter*, such municipality may furnish assistance by gift of real or personal property or lease or loan thereof with or without charge or interest. In appropriating such property or money and providing for such assistance by taxation, the issuance of bonds, or other means, the municipality may exercise all of its powers as though used for its own direct purposes as provided in this *chapter*."

Section 7. Section 67-10-204, MCA, is amended to read:

If not otherwise authorized by law, any agency of the state government when acting jointly with any municipality may exercise and enjoy all of the powers, privileges, and authority conferred by this *chapter* upon a municipality.

(3) Any two or more public agencies may enter into agreements with each other for joint action pursuant to the provisions of 67-10-204 through 67-10-206. Concurrent action by ordinance, resolution, or otherwise of the governing bodies of the participating public agencies *constitutes* joint action. Each such agreement shall specify its duration; the proportionate interest which each public agency *has* in the property, facilities, and privileges involved; the proportion to be borne by each public agency of preliminary costs and costs of acquisition, establishment, construction, enlargement, improvement, and equipment of the airport or air navigation facility; the proportion of the expenses of maintenance, operation, regulation, and protection thereof to be borne by each; and such other terms as are required by the provisions of 67-10-204 through 67-10-206. The agreement may also provide for amendments thereof and conditions and methods of termination of the agreement; the disposal of all or any of the property, facilities, and privileges jointly owned, prior to or upon said property, facilities, and privileges, or any part thereof, ceasing to be used for the purposes provided in this *chapter* or upon termination of the agreement; the distribution of the proceeds received upon any such disposal and of any funds or other property jointly owned and undisposed of; the assumption or payment of any indebtedness arising from the joint venture which remains unpaid upon the disposal of all assets or upon a termination of the agreement; and such other provisions as may be necessary or convenient."

Section 8. Section 67-10-207, MCA, is amended to read:

Section 9. Section 67-10-221, MCA, is amended to read:

"67-10-221. Airport property — acquisition by eminent domain. In the acquisition of property by eminent domain proceedings authorized by this *chapter*, the municipality shall proceed in the manner provided by the laws governing eminent domain of the state of Montana. The municipality *is* not precluded from abandoning such proceedings in any case where possession of the property has not been taken."

Section 10. Section 67-10-222, MCA, is amended to read:

HeinOnline -- 1979 vol. I 361 1979

"67-10-222. Airport property — disposal. Except as may be limited by the terms and conditions of any grant, loan, or agreement pursuant to 67-10-405, every municipality may by sale, lease, or otherwise dispose of any airport, air navigation facility, or other property or portion thereof or interest therein acquired pursuant to this *chapter*. Such disposal by sale, lease, or otherwise shall be in accordance with the laws of this state or provisions of the charter of the municipality governing the disposition of other property of the municipality or agency of the state or federal government for aeronautical purposes incident thereto. The sale, lease, or other disposal may be effected in such manner and upon such terms as the governing body of the municipality may *consider* in the best interest of the municipality."

Section 11. Section 67-10-231, MCA, is amended to read:

"67-10-231. No limitation on airport hazard zoning. Nothing contained in this *chapter* shall be construed to limit any right, power, or authority of a municipality to regulate airport hazards by zoning."

Section 12. Section 67-10-303, MCA, is amended to read:

"67-10-303. Delegation of authority. Any authority vested by this *chapter* in a municipality or in the governing body thereof for the planning, establishment, development, construction, enlargement, improvement, maintenance, equipment, operation, regulation, protection, and policing of airports or other air navigation facilities established, owned, or controlled or to be established, owned, or controlled by the municipality may be vested by resolution of the governing body of the municipality in an officer or board or other municipal agency whose powers and duties *must* be prescribed in the resolution. *However*, the expense of such planning, establishment, development, construction, enlargement, improvement, maintenance, equipment, operation, regulation, protection, and policing *is* a responsibility of the municipality."

Section 13. Section 67-10-401, MCA, is amended to read:

"67-10-401. Appropriations — taxation. The governing body of any municipality having power to appropriate and raise money is authorized to appropriate, and to raise by taxation or otherwise, sufficient *money* to carry out the provisions and purposes of this *chapter*, within the limitations prescribed by law."

Section 14. Section 67-10-402, MCA, is amended to read:

"67-10-402. Tax levy. *(1)* For the purpose of establishing, constructing, equipping, maintaining, and operating airports and landing fields under the provisions of this *chapter*, the county commissioners or the city or town council may each year assess and levy, in addition to the annual levy for general administrative purposes or the all-purpose levy authorized by 7-6-4451 and 7-6-4452, a tax of not to exceed 2 mills on the dollar of taxable value of the property of said county, city, or town.

(2) In the event of a jointly established airport or landing field, the county commissioners and the council or councils involved shall determine in advance the levy necessary for such purposes and the proportion each political subdivision joining in the venture *must* pay.

HeinOnline -- 1979 vol. I 362 1979

(3) No property within any political subdivision *may* be subject to a tax pursuant to this section at an annual rate in excess of 2 mills *unless* it *is* found that the levy *is* insufficient for the purposes enumerated. *In such a case* the commissioners and councils acting are authorized and empowered to contract an indebtedness on behalf of such county, city, or town, as the case may be, upon the credit thereof by borrowing money or issuing bonds for such purposes, provided that no money may be borrowed and no bonds may be issued for such purpose until the proposition has been submitted to the qualified electors and a majority vote cast therefor, except *as provided in subsection (4).*

(4) For the purpose of establishing a reserve fund to resurface, overlay, or improve existing runways, taxiways, and ramps, *the* governing bodies may set up annual reserve funds in their annual budget *if:*

(a) the reserve is approved by the governing bodies during the normal budgeting procedure;

(b) the necessity to resurface or improve said runways by overlays or similar methods every so many years is based upon competent engineering estimates; and

(c) the funds are expended at least within each 10-year period.

(5) The reserve fund *may* not exceed at any time a competent engineering estimate of the cost of resurfacing or overlaying the existing runways, taxiways, and ramps of any one airport for each fund. The governing body of *the* airport, if in its judgment it *considers* it advantageous, may invest the fund in any interest-bearing deposits in a state or national bank insured by the FDIC or obligations of the United States of America, either short-term or long-term. Interest earned from such investments *must* be credited to the operations and maintenance budget of *the* airport governing body. The above provisions, notwithstanding other budget control measures and due to the uniqueness of the subject matter, are declared necessary in the interests of the public health and safety."

Section 15. Section 67-10-404, MCA, is amended to read:

"67-10-404. Airport revenues and sale proceeds. The revenues obtained by a municipality from the ownership, control, or operation of any airport or air navigation facility, including proceeds from the sale of any airport or portion thereof or air navigation facility property, *must* be deposited in a special fund to be designated the ".... airport fund", which revenues *must* be appropriated solely to, and used by the municipality for the purposes authorized by this *chapter.*"

Section 16. Section 67-10-405, MCA, is amended to read:

"67-10-405. Federal and state money. (1) A municipality may accept, receive, receipt for, disburse, and spend federal and state *money* and other *money,* public or private, made available by grant or loan or both to accomplish any of the purposes of this *chapter.* All federal *money* accepted under this section *must* be accepted and spent by the municipality upon terms and conditions prescribed by the United States and consistent with state law. All state *money* accepted under this section *must*

HeinOnline -- 1979 vol. I 363 1979

be accepted and spent by the municipality upon terms and conditions prescribed by the state. Unless otherwise prescribed by the agency from which the *money is* received, the chief financial officer of the municipality shall on its behalf deposit and keep all *money* received pursuant to this section in separate funds, designated according to the purposes for which the *money is* made available, in trust for those purposes.

(2) No application may be made by a municipality for federal aid, as provided in this section, unless the "project application", as defined in the Federal Airport Act of 1946 and regulations of the administrator of civil aeronautics, is first approved by the department.

(3) A municipality may, with the approval and consent of the department, designate the department as its agent to accept, receive, receipt for, and disburse federal and state *money* and other *money*, public or private, made available by grant or loan or both to accomplish any of the purposes of *this chapter*. A municipality may, with the consent of the department, designate the department as its agent in contracting for and supervising the planning, acquisition, development, construction, improvement, or equipment of an airport or other air navigation facility. All contracts made, let, or awarded by the department acting as agent of a municipality under this section *must* be made, let, or awarded pursuant to the laws governing the making of contracts by or on behalf of the state. The municipality may enter into an agreement with the department providing for payment to the department for services rendered as agent and prescribing the terms and conditions of the agency, in accordance with terms and conditions prescribed by the United States, if federal money is involved and in accordance with applicable state law. All federal *money* accepted under this section by the department *must* be accepted and transferred or spent by the department upon terms and conditions prescribed by the United States. All *money* received by the department under this subsection *must* be deposited in the state treasury and, unless otherwise prescribed by the agency from which the *money is* received, *must* be kept in separate funds designated according to the purposes for which the *money is* made available and held by the state in trust for those purposes."

Section 17. Section 67-10-406, MCA, is amended to read:

"67-10-406. Tax exemption. Any property in this state acquired by a municipality for airport purposes pursuant to the provisions of this *chapter* and any income derived by such municipality from the ownership, operation, or control thereof *is* exempt from taxation to the same extent as other property used for public purposes. Any municipality is authorized to exempt from municipal taxation any property acquired within its boundaries by a public agency of another state for airport purposes and any income derived from such property to the extent that such other states authorize similar exemptions from taxation to municipalities of this state."

Section 18. Section 67-11-211, MCA, is amended to read:

"67-11-211. Granting of operation and use privileges. (1) In connection with the operation of an airport or air navigation facility owned or controlled by an authority, the authority may enter into contracts,

HeinOnline -- 1979 vol. I 364 1979

leases, and other arrangements for terms not to exceed 30 years with any persons:

(a) granting the privilege of using or improving the airport or air navigation facility or any portion or facility thereof or space therein for commercial purposes;

(b) conferring the privilege of supplying goods, commodities, things, services, or facilities at the airport or air navigation facility; and

(c) making available services to be furnished by the authority or its agents at the airport or air navigation facility.

(2) In each case the authority may establish the terms and conditions and fix the charges, rentals, or fees for the privileges or services, which *must* be reasonable and uniform for the same class of privilege or service and *must* be established with due regard to the property and improvements used and the expenses of operation to the authority; provided that in no case *may* the public be deprived of its rightful, equal, and uniform use of the airport, air navigation facility, or portion of facility thereof.

(3) Except as may be limited by the terms and conditions of any grant, loan, or agreement authorized by *67-11-305*, an authority may by contract, lease, or other *arrangement*, upon a consideration fixed by it, grant to any qualified person for a term not to exceed 30 years the privilege of operating, as agent of the authority or otherwise, any airport owned or controlled by the authority; provided that no person *may* be granted any authority to operate an airport other than as a public airport or to enter into any contracts, leases, or other arrangements in connection with the operation of the airport which the authority might not have undertaken under subsections (1) and (2) of this section."

Section 19. Section 67-11-303, MCA, is amended to read:

"67-11-303. Bonds and obligations. (1) An authority may borrow money for any of its corporate purposes and issue its bonds therefor, including refunding bonds, in such form and upon such terms as it may determine, payable out of any revenues of the authority, including revenues derived from:

(a) an airport or air navigation facility or facilities;

(b) taxes levied pursuant to 67-11-301 or other law for airport purposes;

(c) grants or contributions from the federal government; or

(d) other sources.

(2) The bonds may be issued by resolution of the authority, without an election and without any limitation of amount, except that no such bonds may be issued at any time if the total amount of principal and interest to become due in any year on such bonds and on any then outstanding bonds for which revenues from the same source or sources are pledged exceeds the amount of such revenues to be received in that year as estimated in the resolution authorizing the issuance of the bonds. The authority shall

HeinOnline -- 1979 vol. I 365 1979

take all action necessary and possible to impose, maintain, and collect rates, charges, rentals, and taxes, if any are pledged, sufficient to make the revenues from the pledged source in such year at least equal to the amount of such principal and interest due in that year.

(3) The bonds may be sold at public or private sale and may bear interest at a rate not exceeding 10% a year. Except as otherwise provided herein, any bonds issued pursuant to this chapter by an authority may be payable as to principal and interest solely from revenues of the authority and shall state on their face the applicable limitations or restrictions regarding the source from which such principal and interest are payable.

(4) Bonds issued by an authority or municipality pursuant to the provisions of this chapter are declared to be issued for an essential public and governmental purpose by a political subdivision within the meaning of 15-30-111(2)(a).

(5) For the security of any such bonds, the authority or municipality may by resolution make and enter into any covenant, agreement, or indenture and may exercise any additional powers authorized to be exercised by a municipality under Title 7, chapter 7, parts 44 and 45. The sums required from time to time to pay principal and interest and to create and maintain a reserve for the bonds may be paid from any revenues referred to in this chapter, prior to the payment of current costs of operation and maintenance of the facilities.

(6) Subject to the conditions stated in this subsection (6), the governing body of any municipality having a population in excess of 10,000, with respect to bonds issued pursuant to this chapter by the municipality or by an authority in which the municipality is included, may by resolution covenant that in the event that at any time all revenues, including taxes, appropriated and collected for such bonds are insufficient to pay principal or interest then due, it will levy a general tax upon all of the taxable property in the municipality for the payment of such deficiency; and may further covenant that at any time a deficiency is likely to occur within 1 year for the payment of principal and interest due on such bonds, it will levy a general tax upon all the taxable property in the municipality for the payment of such deficiency, and such taxes are not subject to any limitation of rate or amount applicable to other municipal taxes but *are* limited to a rate estimated to be sufficient to produce the amount of the deficiency. In the event more than one municipality having a population in excess of 10,000 is included in an authority issuing bonds pursuant to this chapter, the municipalities may apportion the obligation to levy taxes for the payment of, or in anticipation of, a deficiency in the revenues appropriated for such bonds in such manner as the municipalities may determine. The resolution shall state the principal amount and purpose of the bonds and the substance of the covenant respecting deficiencies. No such resolution becomes effective until the question of its approval has been submitted to the qualified electors of the municipality at a special election called for that purpose by the governing body of the municipality and a majority of the electors voting on the question have voted in favor thereof. The notice and conduct of the election *is* governed, to the extent applicable, by 7-7-4227 through *7-7-4234* for an election called by cities and towns, and

HeinOnline -- 1979 vol. I 366 1979

7-7-2229 through *7-7-2236* for an election called by counties. If a majority of the electors voting thereon vote against approval of the resolution, the municipality has no authority to make the covenant or to levy a tax for the payment of deficiencies pursuant to this section, but such municipality or authority may nevertheless issue bonds under this chapter payable solely from the sources referred to in subsection (1) above."

(2) inmates of state institutions who are allowed compensation for such service as they are able to perform;

A member of the retirement system who, because of his employment by the state, is required to become a member of any other system described in this subsection shall be considered, solely for the purposes of making normal contributions, as permanently separated from service. Exclusion under this subsection is subject to the following exceptions:

(a) When an employer has entered into a collective bargaining agreement which includes provisions for payments or contributions by the employer in lieu of wages to a retirement or pension plan qualified by the internal revenue service for its employees, the employees remain eligible, if otherwise qualified, for membership in the retirement system, and the payments or contributions in lieu of wages may not be considered a part of the employees' compensation for purposes of computing the employer or employee contributions to the retirement system.

(b) For the purpose of this subsection (8), persons receiving pensions, retirement allowances, or other payments from any source on account of employment other than as an employee as defined in this chapter are not considered, because of such receipt, members of any other retirement or pension system.

(9) court commissioners or appointive members of any board or commission who serve the state or any contracting employer intermittently and who are paid on a per diem basis;

HeinOnline -- 1979 vol. I 384 1979

this subsection by applying to the board in writing within 1 year after becoming a member and become eligible to receive credit for the excluded service under the provisions of 19-3-505;

(14) effective October 1, 1978, employees whose positions are funded under the federal Comprehensive Employment and Training Act (CETA) and who file with the board elections not to become members. An employee who exercises his election is considered terminated and is eligible for a refund under 19-3-703, and any employer contributions made on his behalf after October 1, 1978, must be returned to the funding agency. If he is subsequently transferred to non-CETA employment and consequently becomes a member, he may revoke his election within 1 year after the transfer date by filing a written revocation with the board and he will then be eligible to qualify the service previously excluded by this subsection under the provisions of 19-3-505.

These plans shall be submitted to the department, and after consultation with the landowner, if the plans are approved by the board and complied with within the time limits as may be determined by the board as being reasonable for carrying out the plans, the backfilling, grading, highwall reduction, topsoiling, *or revegetation* requirements of this part may be modified by the board. CHAPTER NO. 179

AN ACT TO AMEND SECTION 33-20-109, MCA, RELATING TO LIFE INSURANCE POLICY LOANS TO PROVIDE FOR A MAXIMUM RATE OF INTEREST OF 8% A YEAR ON SUCH LOANS UNDER CERTAIN CONDITIONS.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 33-20-109, MCA, is amended to read:

"33-20-109. Policy loan. (1) There shall be a provision that after *3* full years' premiums have been paid and after the policy has a cash surrender value and while no premium is in default beyond the grace period for payment, the insurer will advance, on proper assignment or pledge of the policy and on the sole security thereof, at a specified rate of interest not exceeding 6% *a year*, an amount equal to or, at the option of the party entitled thereto, less than the loan value of the policy. *The commissioner may authorize a rate of interest in excess of 6%, but not in excess of 8% a year (or 7.4% if payable annually in advance), for policies issued on or after January 1, 1980, if the insurer provides adequate written certification that the holders of such policies will benefit fully from the*

increased earnings of the insurer resulting from the use of an interest rate in excess of the 6% per annum, such as from higher interest income to the company on policy loans, higher investment yield resulting from a reduction in policy loans because of the higher policy loan interest rate, and any additional income to the company resulting from the use of such higher interest rate in any manner whatsoever. These benefits to the policyholder shall be reflected through higher dividends or lower premiums, or both. The loan value of the policy shall be at least equal to the cash surrender value at the end of the then current policy year, provided that the insurer may deduct, either from such loan value or from the proceeds of the loan, any existing indebtedness not already deducted in determining such cash surrender value including any interest then accrued but not due, any unpaid balance of the premium for the current policy year, and interest on the loan to the end of the current policy year *unless the policyowner by written notice to the insurer elects to defer payment of interest until it has accrued.* The policy may also provide that if interest on any indebtedness is not paid when due it shall then be added to the existing indebtedness and shall bear interest at the same rate, and that if and when the total indebtedness on the policy, including interest due or accrued, equals or exceeds the amount of the loan value thereof, then the policy shall terminate and become void. The policy shall reserve to the insurer the right to defer the granting of a loan, other than for the payment of any premium to the insurer, for 6 months after application therefor. The policy, at the insurer's option, may provide for automatic premium loan, subject to an election of the party entitled to elect.

(2) This section shall not apply to term policies or to term insurance benefits provided by rider or supplemental policy provisions or to industrial life insurance policies."

CHAPTER NO. 190

AN ACT TO AMEND SECTION 81-3-211, MCA, TO PROVIDE AN EXCEPTION TO BRAND INSPECTIONS FOR LIVESTOCK TRANSFERS WHERE THE TRANSFERS RESULT FROM A CHANGE IN THE FORM OF A FAMILY RANCHING ENTITY; ESTABLISHING THE CONDITIONS FOR THE EXCEPTION.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 81-3-211, MCA, is amended to read:

"81-3-211. Inspection of livestock before change of ownership or removal from county — transportation permits. *(1) For the purposes of this section:*

(a) "Members of the same family" means a group whose membership is determined by including an individual, his spouse, and his parents, children, grandchildren, and the spouses of each.

(b) "Family business entity" means:

(i) a corporation whose stock is owned solely by members of the same family;

(ii) a partnership in which the partners are all members of the same family;

(iii) an association whose members all are members of the same family; or

(iv) any other entity owned solely by members of the same family.

(2) Except as otherwise provided in this part, it is unlawful to remove or cause to be removed from a county in this state any livestock or to transfer ownership by sale or otherwise or for an intended purchaser or his agent to take possession of any such animal subject to title passing upon meeting or satisfaction of any conditions, unless the livestock has been inspected for brands by a state stock inspector or deputy state stock inspector and a certificate of the inspection has been issued in connection with and for the purpose of the transportation or removal or of such change of ownership as provided in this part. The inspection must be made in daylight. *However, the* change of ownership inspection requirements of this subsection *do* not apply when:

(a) such sale or change of ownership transaction involves five or *fewer* such animals; *or*

(b) the change of ownership transaction:

(i) is between:

(A) members of the same family;

(B) a member of one family and the same family's business entity; or

(C) the same family's business entities;

(ii) is accomplished without the livestock changing premises; and

(iii) involves part of a herd to which no livestock have been added other than by natural increase or after brand inspection.

(3) It is unlawful to sell or offer for sale at a livestock market any livestock originating within any county in this state in which a livestock market is maintained or transported under a market consignment permit until the livestock has been inspected for marks and brands by a state stock inspector, as provided in this part.

(4) It is unlawful to remove or cause to be removed any livestock from the premises of a livestock market in this state unless the livestock has been released by a state stock inspector and a certificate of release for the livestock has been issued in connection with and for the purpose of the removal from the premises of the livestock market. The release obtained pursuant to this subsection will permit the movement of the livestock so released directly to the destination shown on the certificate.

(5) The person in charge of livestock being removed from a county in this state, where inspection thereof is required by this section or where

HeinOnline -- 1979 vol. I 456 1979

change of ownership has occurred or when moved under a market consignment permit or a market release certificate, shall have in his possession the certificate of inspection, market consignment permit, transportation permit, or market release certificate issued in connection therewith and shall exhibit the certificate to any sheriff, deputy sheriff, constable, highway patrolman, state stock inspector, or deputy state stock inspector upon request. Section 81-3-204 shall be extended to livestock transported or sold under the above-mentioned permits.

(6) The following transportation permits may be issued:

(a) If a saddle, work, or show horse is being transported from county to county in this state by the owner for his personal use or business or where a purebred cow is being transported from county to county in this state by its owner for show purposes and where there is no change of ownership, the inspection certificate required by this section may be endorsed as to the purpose and extent of transportation by the inspector issuing the certificate in order to serve as a travel permit in this state for a period not to exceed 1 year for the horse or cow described thereon. The permit becomes void upon any transfer of ownership or if the horse or cow is to be removed from the state. In such instances an inspection must be secured for removal and the endorsed certificate surrendered.

(b) The owner of a saddle, work, or show horse may apply for a permanent transportation permit valid for both interstate and intrastate transportation of the horse until there is a change of ownership. To obtain a permit a horse must have either a registered brand that has been legally cleared or a lip tattoo or the owner must present proof of ownership to a state stock inspector. A written application, on forms to be provided by the department, must be completed by the owner and presented to a state stock inspector together with a $5 permit fee for each horse. The application shall contain a thorough physical description of the horse and list all brands and tattoos carried by the horse. Upon approval of the application by a state stock inspector, a permanent transportation permit shall be issued by the department to the owner for each horse and such permit shall be valid for the life of the horse. If there is a change of ownership in a horse the permit shall automatically become void. The permit must accompany the horse for which it was issued at all times while the horse is in transit. This permit shall be in lieu of other permits and certificates required under the provisions of this section. The state of Montana shall recognize as valid permanent transportation permits issued in other jurisdictions to the owner of a saddle, work, or show horse subsequently entering the state. Such a permit shall be automatically void upon a change of ownership.

(c) When livestock owned by and bearing the registered brand of a bona fide rodeo producer is being transported from county to county in this state by the owner for rodeo purposes and where there is no change of ownership, the inspection certificate required by this section may be endorsed as to the purpose and extent of transportation by the inspector issuing the certificate in order to serve as a travel permit in this state for the livestock described thereon. The certificate is effective only between April 1 and October 31 of the year for which it is issued. The certificate shall be issued by a state stock inspector.

HeinOnline -- 1979 vol. I 457 1979

(d) An owner of livestock or his agent may be issued a transportation permit allowing the movement of his livestock into an immediately adjoining county and return when the livestock is being moved for grazing purposes and when it is being moved to and from land owned or controlled by the owner of the livestock or his agent. The permit is valid for 6 months and must be issued by a state stock inspector. The fee for the permit is $5, which shall be paid to the state stock inspector at the time the permit is issued and remitted by him to the department for deposit in the state treasury to the credit of the earmarked revenue fund for the use of the department. This permit may be used in lieu of the inspection and certificate required by this section for movement of livestock across a county line."

CHAPTER NO. 193

AN ACT TO CLARIFY THE RELATIONSHIP BETWEEN VOLUNTARY FIRE DISTRICTS AND FIRE DEPARTMENTS AND CITY-COUNTY CONSOLIDATED LOCAL GOVERNMENTS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

WHEREAS, confusion has arisen concerning the proper status of prior existing fire districts and fire companies following the formation of a city-county consolidated government with self-government powers; and

WHEREAS, the legislature wishes to clarify this situation with the clear understanding that the substance of the law is not changed; and

WHEREAS, Title 7, chapter 33, part 41, requires municipalities to provide fire services under that part; and

WHEREAS, and city-county consolidated government is neither a county government nor a municipality but under 7-3-1103 has the status of both; and

WHEREAS, this combined status allows the people of the local area to choose the most desirable means to provide local services, including fire services, within reasonable limits of interpreting applicable state law and so long as vested rights are not unreasonably abrogated; and

WHEREAS, the legislature finds that a local government charter that maintains rural fire services organizations as they were prior to consolidation is a reasonable interpretation of those laws; and

WHEREAS, to provide the desirable ratification of any existing charter interpretation to this effect and to clarify the application of such charters in the future,

HeinOnline -- 1979 vol. I 460 1979

THEREFORE, it is the purpose of this act to clarify the law on this point without establishing a presumption that the law is in any way substantively altered.

(2) No right or benefit of any member of a volunteer fire district, company, or department created pursuant to the provisions of parts 21 and 23 of chapter 33 in a retirement or pension plan, or payments provided under 19-12-103 may be abrogated by the adoption of a city-county consolidated local government unless otherwise specifically provided by charter.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Computation and collection of fee in absence of statement — penalty and interest.** (1) If a regulated company or an officer or employee of a regulated company fails, neglects, or refuses to file the statement required by 69-1-223(2), the department of revenue may after the time for filing has expired proceed to inform itself, as best it may, regarding the regulated company's gross operating revenue from all activities regulated by the commission within the state for the calendar quarter, quarters, or portion thereof and may determine and fix the amount of the consumer counsel fee due.

(2) The department may add to the amount of the fee computed under subsection (1), in addition to any other penalty provided by law, a penalty of 10% thereof plus interest at the rate of 1% per month or fraction of month computed on the total amount of fee and penalty. Interest is computed from the date the fee is due to the date of payment.

(3) The department of revenue shall mail to the regulated company a letter setting forth the amount of the fee, penalty, and interest and notifying the company that payment of the full amount of the fee, penalty, and interest must be remitted within 15 days of the regulated company's receipt of the letter; otherwise a lien may be filed.

(4) The 10% penalty may be waived by the department of revenue if reasonable cause for failure and neglect to file the statement is provided to the department.

Section 2. **Failure to pay fee — penalty and interest — collection of fee.** (1) If a regulated company or an officer or employee of a regulated company files the statement required by 69-1-223(2) but fails, neglects, or refuses to pay the fee due within the time required, the department of revenue may after the time for payment has expired add to the fee due, in addition to any other penalty provided by law, a penalty of 10% thereof plus interest at the rate of 1% per month or fraction of

(3) The 10% penalty may be waived by the department of revenue if reasonable cause for failure and neglect to make payment is provided to the department.

Section 3. **Fee, penalty, and interest as lien.** The fee, penalty, and interest due from a regulated company are a lien upon all real property of the regulated company within a county when the department of revenue files a certified copy of the amounts due in the office of the clerk of court of the county where the property is located. The lien has precedence over any claim, lien, or demand thereafter filed and recorded and may be enforced in the name of the state of Montana in the same manner as judgment liens are enforced by law.

Section 4. **Codification.** Sections 1 through 3 are intended to be codified as an integral part of Title 69, chapter 1, part 2, and the provisions contained in Title 69, chapter 1, part 2 and Title 69, chapter 2, apply to sections 1 through 3.

HeinOnline -- 1979 vol. I 478 1979

"33-3-215. Mutualization of stock insurer. (1) A stock insurer other than a title insurer may become a mutual insurer under *a* plan and procedure approved by the commissioner after a hearing thereon.

(2) The commissioner shall not approve any plan, procedure, or mutualization unless:

(a) it is equitable to stockholders and policyholders;

(b) it is subject to approval by the holders of not less than three-fourths of the insurer's outstanding capital stock having voting rights and by not less than two-thirds of the insurer's policyholders who vote on such plan in person, by proxy, or by mail pursuant to such notice and procedure as may be approved by the commissioner;

(c) if a life insurer, the right to vote thereon is limited to holders of policies other than term or group policies and whose policies have been in force for more than 1 year;

(d) mutualization will result in retirement of shares of the insurer's capital stock at a price not in excess of the fair market value thereof as determined by competent disinterested appraisers;

(e) the plan provides for the purchase of the shares of any nonconsenting stockholder in the same manner and subject to the same applicable conditions as provided by *Title 35, chapter 1, part 8*, as to rights of nonconsenting stockholders, with respect to consolidation or merger of private corporations;

(f) the plan provides for definite conditions to be fulfilled by a designated early date upon which such mutualization will be deemed effective; and

(g) the mutualization leaves the insurer with surplus funds reasonably adequate for the security of its policyholders and to enable it to continue successfully in business in the states in which it is then authorized to transact insurance and for the kinds of insurance included in its certificates of authority in such states.

(3) This section shall not apply to mutualization under order of court pursuant to rehabilitation or reorganization of an insurer under chapter 2, part 9."

Section 14. Section 33-3-217, MCA, is amended to read:

"33-3-217. Mergers and consolidations of stock insurers. (1) A domestic stock insurer may merge or consolidate with one or more domestic or foreign stock corporations authorized to transact business in this state by complying with the applicable provisions of the statutes of this state governing the merger or consolidation of stock corporations formed for profit but subject to subsections (2) and (3) below.

(2) No such merger or consolidation *may* be effectuated unless in advance thereof the plan and agreement therefor have been filed with the commissioner and approved in writing by him after a hearing thereon. The commissioner shall give such approval within a reasonable time after such filing unless he finds such plan or agreement:

HeinOnline -- 1979 vol. I 479 1979

(a) is contrary to law;

(b) inequitable to the stockholders of any domestic insurer involved; or

(c) would substantially reduce the security of and service to be rendered to policyholders of the domestic insurer in this state or elsewhere.

(3) No director, officer, agent, or employee of any insurer party to such merger or consolidation *may* receive any fee, commission, compensation, or other valuable consideration whatsoever for in any manner aiding, promoting, or assisting therein except as set forth in such plan or ageement.

(4) If the commissioner does not approve any such plan or agreement he shall so notify the insurer in writing specifying his reasons therefor.

(5) If any domestic insurer involved in the proposed merger or consolidation is authorized to transact insurance also in other states, the commissioner may request the insurance commissioner, director of insurance, superintendent of insurance, or other similar public insurance supervisory official of the two other such states in which such insurer has in force the larger amounts of insurance to participate in the hearing provided for under subsection (2) above, with full right to examine all witnesses and evidence and to offer to the commissioner such pertinent information and suggestions as they may deem proper.

(6) Any plan or proposal through which a stock insurer proposes to acquire a controlling stock interest in another stock insurer through an exchange of stock of the first insurer, issued by the insurer for the purpose, for such controlling stock of the second insurer is deemed to be a plan or proposal of merger of the second insurer into the first insurer for the purposes of this section and is subject to the applicable provisions hereof.

(7) Upon merger or consolidation of a domestic insurer with another insurer under this chapter, the corporate charter of such merged or consolidated domestic insurer shall *thereby* automatically be extinguished and nullified."

Section 15. Section 33-5-201, MCA, is amended to read:

"33-5-201. Organization of reciprocal insurer. (1) Twenty-five or more persons domiciled in this state may organize a domestic reciprocal insurer and make application to the commissioner for a certificate of authority to transact insurance.

(2) The proposed attorney shall fulfill the requirements of and shall execute and file with the commissioner when applying for a certificate of authority a declaration setting forth:

(a) the name of the insurer;

(b) the location of the insurer's principal office, which shall be the same as that of the attorney and shall be maintained within this state;

(c) the kinds of insurance proposed to be transacted;

HeinOnline -- 1979 vol. I 480 1979

(d) the names and addresses of the original subscribers;

(e) the designation and appointment of the proposed attorney and a copy of the power of attorney;

(f) the names and addresses of the officers and directors of the attorney, if a corporation, or its members, if a firm;

(g) the powers of the subscribers' advisory committee and the names and terms of office of the members thereof;

(h) that all moneys paid to the reciprocal insurer shall, after deducting therefrom any sum payable to the attorney, be held in the name of the insurer and for the purposes specified in the subscribers' agreement;

(i) a copy of the subscribers' agreement;

(j) a statement that each of the original subscribers has in good faith applied for insurance of a kind proposed to be transacted and that the insurer has received from each such subscriber the full premium or premium deposit required for the policy applied for, for a term of not less than 6 months at an adequate rate theretofore filed with and approved by the commissioner;

(k) a statement of the financial condition of the insurer, a schedule of its assets, and a statement that the surplus as required by 33-5-401 is on hand; and

(l) a copy of each policy, endorsement, and application form it then proposes to issue or use.

(3) *The* declaration shall be acknowledged by the attorney in the manner required for the acknowledgment of deeds."

Section 16. Section 33-7-514, MCA, is amended to read:

"33-7-514. Standard provisions. (1) After January 1, 1962, no life benefit certificate *may* be delivered or issued for delivery in this state unless a copy of the form has been filed with the commissioner.

(2) The certificate *must* contain in substance the following standard provisions or, in lieu thereof, provisions which are more favorable to the member:

(a) title on the face and filing page of the certificate clearly and correctly describing its form;

(b) a provision stating the amount of rates, premiums, or other required contributions, by whatever name known, which are payable by the insured under the certificate;

(c) a provision that the member is entitled to a grace period of not less than a full month (or 30 days at the option of the society) in which the payment of any premium after the first may be made. During such grace period the certificate *must* continue in full force, but in case the certificate becomes a claim during the grace period before the overdue payment is made, the amount of such overdue payment or payments may be deducted in any settlement under the certificate.

HeinOnline -- 1979 vol. I 481 1979

(d) a provision that the member *is* entitled to have the certificate reinstated at any time within 3 years from the due date of the premium in default, unless the certificate has been completely terminated through the application of a nonforfeiture benefit, cash surrender value, or certificate loan, upon the production of evidence of insurability satisfactory to the society and the payment of all overdue premiums and any other indebtedness to the society upon the certificate, together with interest on such premiums and such indebtedness, if any, at a rate not exceeding 6% per annum compounded annually;

(e) except in the case of pure endowment, annuity or reversionary annuity contracts, reducing term insurance contracts, or contracts of term insurance of uniform amount of 15 years or less expiring before age 66, a provision that, in the event of default in payment of any premium after 3 full years' premiums have been paid or after premiums for a lesser period have been paid if the contract so provides, the society will grant, upon proper request not later than 60 days after the due date of the premium in default, a paid-up nonforfeiture benefit on the plan stipulated in the certificate, effective as of such due date, of such value as specified in this chapter. The certificate may provide, if the society's laws so specify or if the member so *elects* prior to the expiration of the grace period of any overdue premium, that default *may* not occur so long as premiums can be paid under the provisions of an arrangement for automatic premium loan as may be set forth in the certificate.

(f) a provision that one paid-up nonforfeiture benefit as specified in the certificate *must* become effective automatically unless the member elects another available paid-up nonforfeiture benefit, not later than 60 days after the due date of the premium in default;

(g) a statement of the mortality table and rate of interest used in determining all paid-up nonforfeiture benefits and cash surrender options available under the certificate and a brief general statement of the method used in calculating such benefits;

(h) a table showing in figures the value of every paid-up nonforfeiture benefit and cash surrender option available under the certificate for each certificate anniversary either during the first 20 certificate years or during the term of the certificate, whichever is shorter;

(i) a provision that the certificate *is* incontestable after it has been in force during the lifetime of the member for a period of 2 years from its date of issue except for nonpayment of premiums, violation of the provisions of the certificate relating to military, aviation, or naval service, and violation of the provisions relating to suspension or expulsion as substantially set forth in the certificate. At the option of the society, supplemental provisions relating to benefits in the event of temporary or permanent disability or hospitalization and provisions which grant additional insurance specifically against death by accident or accidental means may also be excepted. The certificate *is* incontestable on the grounds of suicide after it has been in force during the lifetime of the member for a period of 2 years from date of issue. The certificate may provide, as to statements made to procure reinstatement, that the society *has* the right to contest

HeinOnline -- 1979 vol. I 482 1979

a reinstated certificate within a period of 2 years from date of reinstatement with the same exceptions as herein provided.

(j) a provision that in case the age of the member or of any other person is considered in determining the premium and it is found at any time before final settlement under the certificate that the age has been misstated, and the discrepancy and premium involved have not been adjusted, the amount payable shall be such as the premium would have purchased at the correct age; but if the correct age was not an insurable age under the society's charter or laws, only the premiums paid to the society, less any payments previously made to the member, shall be returned or, at the option of the society, the amount payable under the certificate shall be such as the premium would have purchased at the correct age according to the society's promulgated rates and any extension thereof based on actuarial principles;

(k) a provision or provisions which recite fully or which set forth the substance of all sections of the charter, constitution, laws, or rules of the society in force at the time of issuance of the certificate, the violation of which will result in the termination of or in the reduction of the benefit or benefits payable under the certificate; and

(l) if the constitution or laws of the society provide for expulsion or suspension of a member, *a provision that* any member so expelled or suspended, except for nonpayment of a premium or within the contestable period for material misrepresentations in such member's application for membership, shall have the privilege of maintaining his insurance in force by continuing payment of the required premium.

(3) Any of the foregoing provisions or portions thereof not applicable by reason of the plan of insurance or because the certificate is an annuity certificate may, to the extent inapplicable, be omitted from the certificate."

Section 17. Section 33-10-217, MCA, is amended to read:

"33-10-217. Prevention of impairments. To aid in the detection and prevention of insurer impairments *the board of directors is given the following powers and duties*:

(1) The board shall, upon majority vote, notify the commissioner of any information indicating any member insurer may be unable or potentially unable to fulfill its contractual obligations.

(2) The board may, upon majority vote, request that the commissioner order an examination of any member insurer which the board in good faith believes may be unable or potentially unable to fulfill its contractual obligations.

(3) The board may, upon majority vote, make reports and recommendations to the commissioner upon any matter germane to the solvency, liquidation, rehabilitation, or conservation of any member insurer. Such reports and recommendations shall not be considered public documents.

(4) The board may, upon majority vote, make recommendations to the commissioner for the detection and prevention of insurer impairments.

HeinOnline -- 1979 vol. I 483 1979

(5) The board shall, at the conclusion of any insurer impairment in which the association carried out its duties under this part or exercised any of its powers under this part, prepare a report on the history and causes of such impairment, based on the information available to the association, and submit such report to the commissioner."

Section 18. Section 33-10-229, MCA, is amended to read:

"33-10-229. Recovery of dividends. (1) If an order for liquidation or rehabilitation of an insurer domiciled in this state has been entered, the receiver appointed under such order *has* a right to recover on behalf of the insurer, from any affiliate that controlled it, the amount of distributions, other than stock dividends paid by the insurer on its capital stock, made at any time during the 5 years preceding the petition for liquidation or rehabilitation subject to the limitations of subsections (2) through (4).

(2) No such dividend *is* recoverable if the insurer shows that when paid the distribution was lawful and reasonable and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations.

(3) Any person who *was* an affiliate that controlled the insurer at the time the distributions were paid *is* liable up to the amount of distributions he received. Any person who was an affiliate that controlled the insurer at the time the distributions were declared *is* liable up to the amount of distributions he would have received if they had been paid immediately. If two persons are liable with respect to the same distributions, they *are* jointly and severally liable.

(4) The maximum amount recoverable under this section *is* the amount needed in excess of all other available assets of the impaired insurer to pay the contractual obligations of the impaired insurer.

(5) If any person liable under subsection (3) is insolvent, all its affiliates that controlled it at the time the dividend was paid *are* jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate."

Section 19. Section 33-17-203, MCA, is amended to read:

"33-17-203. General qualification for license as life or disability insurance agent. For the protection of the people of this state the commissioner *may* not issue, continue, or permit to exist any agent license as to life or disability insurance except in compliance with this chapter. *In addition, the* individual *must qualify* as follows:

(1) be 18 years of age or more;

(2) be a resident in and of this state or of another state if by reciprocal arrangements made by the commissioner with such other state similar privileges therein are granted to residents of this state;

Section 20. Section 33-17-211, MCA, is amended to read:

"33-17-211. Application for license. (1) Application for an agent or solicitor license *must* be made to the commissioner by the applicant and be signed and sworn to by the applicant before a notary public or other person authorized by law to take acknowledgments of deeds.

(2) The commissioner shall designate and prepare forms for application for license which *must* require full answers to such questions as may reasonably be necessary to determine the applicant's identity, residence, personal history, business record, experience and training in insurance, purpose for which the license is to be used, and other facts as required by the commissioner to determine whether the applicant meets the applicable qualifications for the license applied for.

(3) If for an agent's license, the application *must* state the kinds of insurance proposed to be transacted and be accompanied by written appointment of the applicant as agent by an authorized insurer, subject to issuance of the license.

(4) If for a solicitor's license, the application *must* be accompanied by written appointment of applicant as solicitor by a licensed agent, subject to issuance of the license.

(5) If the applicant for an agent license is a firm or corporation, the application shall show, in addition, the names of all members, officers, and directors and shall designate each individual who is to exercise the powers to be conferred by the license upon the firm or corporation. Each such individual so designated shall furnish information as to himself, as part of the application, as though for an individual license.

(6) If the applicant for an agent license is an agents' association pursuant to 33-17-205, the application *must* show the names and residence addresses of the association's officers and trustees.

(7) If for license as either agent or solicitor, the application *must* also show whether applicant was ever previously licensed to transact any kind of insurance in this state or elsewhere; whether any such license was ever refused, suspended, or revoked; whether any insurer, general agent, or agent, in the case of a solicitor application, claims applicant to be indebted

HeinOnline -- 1979 vol. I 485 1979

(8) The commissioner shall require as part of the application for license the certificate of an officer or representative of the insurer proposed to be represented, in the case of applicants for license as agent, or of the proposed employing agent, in the case of applicants for license as solicitor, as to whether the applicant is known to such officer or representative, whether the insurer or agent has investigated the character and business record of the applicant and the uses to be made of the license, if granted, and his opinion, based on such investigation, as to applicant's trustworthiness and competence and whether the applicant will use the license principally for the purpose of insuring the applicant's own risks or interests and those of the applicant's relatives or employer.

(9) All such applications *must* be accompanied by the applicable license fee, appointment of agent fee where applicable, *and* examination fee where required under 33-17-212, all in the respective amounts stated in 33-2-708."

Section 21. Section 33-17-213, MCA, is amended to read:

"33-17-213. Conduct of examinations. (1) The commissioner shall make any examination required under 33-17-212 available to applicants with reasonable frequency and at *a* place in this state reasonably accessible to *the* applicants. The commissioner shall make any such examination available at his offices at Helena, Montana, at times within his discretion but at least once a month.

(2) All the kinds of insurance or *classes* thereof, as referred to in 33-17-212(3), which the applicant proposes to transact under the license applied for shall be included in the same examination.

(3) The commissioner shall give, conduct, and grade all examinations in a fair and impartial manner and without unfair discrimination as between individuals examined.

(4) The commissioner may require a reasonable waiting period before reexamination of an applicant who has failed to pass a previous examination covering the same kind or kinds of insurance."

Section 22. Section 33-17-1004, MCA, is amended to read:

"33-17-1004. Acting as insurance agent, solicitor, or adjuster without license — penalty. Any person, firm, association, or corporation who or which, in this state, acts as an insurance agent, solicitor, or adjuster without having authority to do so by virtue of a license issued and in force pursuant to the provisions of this chapter *is* guilty of a misdemeanor and, *upon conviction, shall be* fined $500 or imprisoned in the county jail for 90 days or both."

funeral, or undertaking establishment or permit its officers, employees, or representatives to own, operate, maintain, or be employed in any such business.

(2) No life insurer *may* contract or agree with any funeral director, mortuary, or undertaker to the effect that such funeral director, undertaker, or mortuary shall conduct the funeral of any person insured by such insurer.

(3) Each violation of this section *constitutes* a misdemeanor punishable by a fine of not more than $1,000 or by imprisonment for not more than 6 months or *by* both such fine and imprisonment."

Section 24. Section 33-20-213, MCA, is amended to read:

"33-20-213. Operative date. After July 1, 1945, any insurer could have filed with the state auditor a written notice of its election to comply with the provisions of this part, *except 33-20-206 and 33-20-207,* after a specified date before January 1, 1948, with respect to the policies specified in the notice. After the filing of such notice, then upon such specified date (which shall be the operative date for such insurer with respect to such policies), this part, *except 33-20-206 and 33-20-207,* shall have become operative with respect to the policies specified in such notice thereafter issued by such insurer. As to all of its policies and contracts with respect to which an insurer makes no such election, the operative date of this part, *except 33-20-206 and 33-20-207,* with respect to such policies and contracts for such insurer is January 1, 1948."

Section 25. Section 33-20-1111, MCA, is amended to read:

"33-20-1111. Dependents of employee and labor union groups — coverage. Any group life policy issued under 33-20-1101, 33-20-1102, or 33-20-1103, may be extended to insure the employees or members against loss due to the death of their spouses and minor children, or any class or classes thereof, subject to the following requirements:

(1) The premium for the insurance shall be paid by the policyholder, either from the employer's or union's funds or funds contributed by the employer or union or from funds contributed by the insured employees or members, or from both. If any part of the premium is to be derived from funds contributed by the insured employees or members, the insurance with respect to spouses and children may be placed in force only if at least 75% of the then eligible employees or members, excluding any as to whose family members evidence of insurability is not satisfactory to the insurer, elect to make the required contribution. If no part of the premium is to be derived from funds contributed by the employees or members, all eligible employees or members, excluding any as to whose family members evidence of insurability is not satisfactory to the insurer, must be insured with respect to their spouses and children.

(2) The amounts of insurance must be based upon some plan precluding individual selection either by the employees or members or by the policyholder, employer, or union.

(3) Upon termination of the insurance with respect to the members of the family of any employee or member by reason of the employee's or

HeinOnline -- 1979 vol. I 487 1979

member's termination of employment, termination of membership in the class or classes eligible for coverage under the policy, or death, the spouse *is* entitled to have issued by the insurer, without evidence of insurability, an individual policy of life insurance, without disability or other supplementary benefits, providing application for the individual policy shall be made, and the first premium paid to the insurer, within 31 days after such termination, subject to the requirements of subsections (1), (2), and (3) of *33-20-1209*. If the group policy terminates or is amended so as to terminate the insurance of any class of employees or members and the employee or member is entitled to have issued an individual policy under 33-20-1210, the spouse *is* also entitled to have issued by the insurer an individual policy, subject to the conditions and limitations provided above. If the spouse dies within the period during which he would have been entitled to have an individual policy issued in accordance with this provision, the amount of life insurance which he would have been entitled to have issued under such individual policy shall be payable as a claim under the group policy, whether or not application for the individual policy or the payment of the first premium therefor has been made.

(4) Notwithstanding 33-20-1208, only one certificate need be issued for delivery to an insured person if a statement concerning any dependent's coverage is included in such certificate."

Section 26. Section 33-22-202, MCA, is amended to read:

"33-22-202. Required provisions — captions — omissions — substitutions — order. (1) Except as provided in subsection (2) below, each such policy delivered or issued for delivery to any person in this state *must* contain the provisions specified in 33-22-204 through 33-22-215, in the words in which the same appear, except that the insurer may, at its option, substitute for one or more of such provisions corresponding provisions of different wording approved by the commissioner which are in each instance not less favorable in any respect to the insured or the beneficiary. Each such provision *must* be preceded individually by the applicable caption shown or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the commissioner may approve.

(2) If any such provision is in whole or in part inapplicable to or inconsistent with the coverage provided by a particular form of policy, the insurer, with the approval of the commissioner, shall omit from such policy any inapplicable provision or part of a provision and shall modify any inconsistent provision or part of a provision in such manner as to make the provision as contained in the policy consistent with the coverage provided by the policy.

(3) The provisions which are the subject of *33-22-204 through 33-22-232* or any corresponding provisions which are used in lieu thereof in accordance with such sections shall be printed in the consecutive order of the provisions in such sections or, at the option of the insurer, any such provision may appear as a unit in any part of the policy with other provisions to which it may be logically related, provided that the resulting policy shall not be in whole or in part unintelligible, uncertain, ambiguous, abstruse, or likely to mislead a person to whom the policy is offered, delivered, or issued."

HeinOnline -- 1979 vol. I 488 1979

Section 27. Section 33-17-216, MCA, is amended to read:

"33-17-216. Temporary agent licenses — fee. (1) The commissioner may issue a temporary license as agent to or with respect to an individual qualified therefor only as to age, residence, and trustworthiness and without requiring such individual to take an examination, in the following cases:

(a) to the surviving spouse or next of kin or to the administrator or executor, or the employee of such administrator or executor, of a licensed agent *upon such agent's death*;

(b) to the spouse, next of kin, employee, or legal guardian of a licensed agent disabled by injury or *physical or mental illness*;

(c) to an employee of a firm, or officer or employee of a corporation, licensed as agent, upon the death or disability of an individual designated in the license to exercise the powers thereof;

(d) to the designee of a licensed agent entering upon active service in the armed forces of the United States of America;

(e) upon *the* request of the insurer, to an applicant for *a* license as a life insurance agent, pending the taking of any examination required of the applicant by the commissioner under 33-17-212, if the applicant is duly enrolled in and is actively pursuing an adequate course of instruction, as provided by or through the insurer, in preparation for such examination. Such license shall be for a period of not over 90 days or until the applicant has had a reasonable opportunity to take such examination and be informed by the commissioner as to the results thereof, whichever is the shorter period, but subject to extension by the commissioner as provided in subsection (3).

(2) The temporary license shall be issued upon application filed with the commissioner in such form and containing such information as the commissioner may reasonably require and upon payment of the applicable fee as stated in 33-2-708.

(3) The temporary license shall be for a period of not over 90 days, subject to extension by the commissioner in his discretion for an additional period of not more than 90 days, except that such a license issued pursuant to subsection (1)(a) may be continued without payment of *an* additional fee until the executor or administrator disposes of the insurance business but not to exceed a period of 15 months. *A temporary* license issued to the next of kin under such subsection (1)(a) *may* not be extended for an additional term after *the* appointment and qualification of an administrator or executor.

(4) The fee paid for the temporary license may be applied upon the fee required for *a* permanent license issued to the licensee upon or prior to expiration of the temporary license and covering the same kinds of insurance."

Section 28. Section 33-20-121, MCA, is amended to read:

HeinOnline -- 1979 vol. I 489 1979

"**33-20-121. Prohibited provisions — limitations on liability.** (1) No policy of life insurance *may* be delivered or issued for delivery in this state if it contains any of the following provisions:

(b) a provision which excludes or restricts liability for death caused in a certain specified manner or occurring while the insured has a specified status, except that a policy may contain provisions excluding or restricting coverage as specified therein in the event of death under any one or more of the following circumstances:

(i) death as a result, directly or indirectly, of war, declared or undeclared, or of action by military forces or of any act or hazard of such war or action or of service in the military, naval, or air forces or in civilian forces auxiliary thereto or from any cause while a member of such military, naval, or air forces of any country at war, declared or undeclared, or of any country engaged in such military action;

(ii) death as a result of aviation or any air travel or flight;

(iii) death as a result of a specified hazardous occupation or occupations;

(iv) death while the insured is a resident outside *the* continental United States and Canada; or

(v) death within 2 years from the date of issue of the policy as a result of suicide, while *seriously mentally ill or otherwise.*

(2) A policy which contains any exclusion or restriction pursuant to subsection (1) of this section shall also provide that in the event of death under the circumstances to which any such exclusion or restriction is applicable, the insurer will pay an amount not less than a reserve determined according to the commissioner's reserve valuation method upon the basis of the mortality table and interest rate specified in the policy for the calculation of nonforfeiture benefits (or if the policy provides for no such benefits, computed according to a mortality table and interest rate determined by the insurer and specified in the policy) with adjustment for indebtedness or dividend credit.

(3) This section *does* not apply to industrial life insurance, group life insurance, disability insurance, reinsurance, or annuities or to any provision in a life insurance policy relating to disability benefits or to additional benefits in the event of death by accident or accidental means.

(4) Nothing contained in this section *prohibits* any provision which in the opinion of the commissioner is more favorable to the policyholder than a provision permitted by this section."

Section 29. **Repealer.** Section 40-1723, R.C.M. 1947, is repealed.

"35-1-110. Defense of ultra vires. No act of a corporation and no conveyance or transfer of real or personal property to or by a corporation *is* invalid by reason of the fact that the corporation was without capacity or power to do such act or to make or receive such conveyance or transfer, but such lack of capacity or power may be asserted:

(1) in a proceeding by a shareholder against the corporation to enjoin the doing of any act or acts or the transfer of real or personal property by or to the corporation. If the unauthorized acts or transfer sought to be enjoined are being or are to be performed or made pursuant to any contract to which the corporation is a party, the court may, if all of the parties to the contract are parties to the proceeding and if it *considers* the same to be equitable, set aside and enjoin the performance of such contract and in so doing may allow to the corporation or to the other parties to the contract, as the case may be, compensation for the loss or damage sustained by either of them which may result from the action of the court

HeinOnline -- 1979 vol. I 500 1979

(3) in a proceeding by the *secretary of state or the* attorney general, as provided in chapter *6*, to dissolve the corporation or in a proceeding by the attorney general to enjoin the corporation from the transaction of unauthorized business."

Section 2. Section 35-1-928, MCA, is amended to read:

"35-1-928. State tax clearance certificate. No decree of voluntary dissolution shall be made and entered by any court, nor shall the clerk of the district court of any county or secretary of state file any such decree or file any other document by which the term of existence of any corporation is terminated, except a decree of involuntary dissolution in an action brought by the attorney general, nor shall the secretary of state file any certificate of surrender by a foreign corporation of its right to do intrastate business in the state unless the corporation obtains from the department of revenue and files with said court, clerk of the district court, or secretary of state, as part of the original instrument effecting the dissolution or withdrawal, a certificate to the effect the department of revenue is satisfied from the available evidence that all taxes imposed by *Title 15* have been paid. The issuance of the certificate shall not relieve the corporation from liability for any taxes, penalties, or interest due the state of Montana."

HeinOnline -- 1979 vol. I 501 1979

(e) a post-office address, including street and number, if any, to which the secretary of state may mail a copy of any process against the corporation that may be served on him;

(f) that all taxes imposed on the corporation by *Title 15* have been paid, supported by a certificate by the department of revenue to be attached to said application to the effect that the department is satisfied from the available evidence that all *such* taxes imposed have been paid. The issuance of such certificate *does* not relieve the corporation from liability for any taxes, penalties, or interest due the state of Montana.

(2) The application for withdrawal shall be made in a form prescribed by the secretary of state and shall be executed for the corporation by its president or a vice-president and by its secretary or an assistant secretary and verified by one of the officers signing the application or, if the corporation is in the hands of a receiver or trustee, shall be executed on behalf of the corporation by such receiver or trustee and verified by him."

(1) in a proceeding by a member or a director against the corporation to enjoin the doing or continuation of unauthorized acts or the transfer of real or personal property by or to the corporation. If the unauthorized acts or transfer sought to be enjoined are being or are to be performed pursuant to any contract to which the corporation is a party, the court may, if all of the parties to the contract are parties to the proceeding and if it *considers* the same to be equitable, set aside and enjoin the performance of such contract and in so doing may allow to the corporation or the other parties to the contract, as the case may be, compensation for the loss or damage sustained by either of them which may result from the action of the court in setting aside and enjoining the performance of such contract, but anticipated profits to be derived from the performance of the contract *may* not be awarded by the court as a loss or damage sustained.

"61-3-201. Transfer of title or interest. (1) Upon a transfer of any title or interest of an owner in or to a motor vehicle registered under the provisions of this chapter as hereinafter required, the person whose title or interest is to be transferred shall write his signature with pen and ink upon the certificate of ownership issued for such vehicle in the appropriate space provided upon the reverse side of such certificate, and such signature shall be acknowledged before a notary public.

(2) Within 20 calendar days thereafter, the transferee shall forward both the certificate of ownership so endorsed and the certificate of registration, together with the information required under 61-3-202, to the county treasurer, who shall forward the same to the division, and no certificate of ownership and certificate of registration may be issued by the division until the outstanding certificates are surrendered to that office or their loss established to its reasonable satisfaction. Failure to make such application within the 20-day grace period subjects the transferee to a penalty of $10. The penalty is to be collected by the county treasurer at the time of registration and is in addition to the fees otherwise provided by law.

(3) In the event of a transfer by operation of law of any title or interest of an owner of the legal title or owner in and to a motor vehicle as upon inheritance, devise, or bequest, order in bankruptcy or insolvency, execution sale, repossession upon default in the performance of the terms of a lease or executory sales contract, or otherwise than by voluntary act of the person whose title or interest is so transferred, the executor, administrator, receiver, trustee, sheriff, or other representative or successor in interest of the person whose title or interest is so transferred shall forward to the division an application for registration in the form required for an original application for registration, together with a verified or certified statement of the transfer of such title or interest. In the event the division shall be satisfied that such transfer is regular and that all formalities as required by law have been complied with, it shall cause to be sent to the owner, conditional sales vendors, lessors, mortgagees, and other lienors, as shown by its records, notice of such intended transfer and thereafter,

(4) When the vehicle title that is involuntarily transferred is not registered in this state the procedure set forth above must be followed in applying for a new certificate of ownership and certificate of registration, but the division need not send notice of intended transfer and shall issue a new certificate of ownership and a new certificate of registration to the person entitled thereto.

(5) *(a)* In the event of the death of *the* owner of one or more motor vehicles, *trailers, semitrailers, or housetrailers* registered hereunder and not exceeding *a combined* value of *$15,000* without leaving other property necessitating the procuring of letters of administration or letters testamentary, then the surviving *spouse* or other heir, unless such property is by will otherwise bequeathed, may secure transfer of the *decedent's* certificate of ownership and the certificate of registration *for the* vehicle.

(b) The person seeking transfer of the certificate of ownership shall file an affidavit with the division setting forth the fact of survivorship and the name and address of any other heirs and such other facts as are hereby made necessary to entitle the affiant to a transfer.

(c) The division is authorized to transfer the certificate of ownership and certificate of registration, subject to all *security interests* shown by *its* records, *upon receipt of an affidavit showing that the affiant is entitled to a transfer under the provisions of subsection (5)(a) of this section.*

(6) Nothing in subsection (5) shall prevent any *secured party* from assigning his interest in a motor vehicle registered under the provisions of this chapter to any other person without the consent of and without effecting the interest of the holder of the certificate of ownership and certificate of registration. Upon any *assignment by a secured party of his security* interest in any motor vehicle registered under this chapter a copy of such assignment must be filed with the division and record thereof made upon his records.

(7) The certificates of ownership shall remain valid until canceled by the division upon a transfer of any interest shown therein and need not be renewed annually.

(8) Every person who transfers any motor vehicle to a junk dealer for the purpose of scrapping said vehicle shall so notify the division and deliver the certificate of ownership and certificate of registration to the division for cancellation."

(2) It *is* not necessary to submit to *the* electors the question of issuing refunding bonds to refund bonds issued and outstanding or the question of issuing revenue bonds not pledging the general credit of the municipality under any laws of this state."

The council shall accept the bid *it considers* most advantageous to the city or town. The *council may* reject any and all bids and sell the bonds at private sale if *this is considered to be in* the best interests of the city or town; provided, however, that *the* bonds *may* not be sold at less than par and accrued interest to date of delivery.

(2) The levy made for the purpose of paying interest on and principal of each series or issue of bonds must be high enough to raise an amount sufficient to pay all interest on and so much of the principal, if any, of *the* bonds as will become due and payable during the then-current fiscal year or within 90 days thereafter, as such amount is shown by the treasurer's statement provided for by 7-7-4264. If no part of the principal of such bonds will become due and payable within such time, then such tax levy must be high enough to raise an amount sufficient to pay all interest which will become due and payable during the current fiscal year or within 90 days thereafter and to also place in the sinking fund for such issue or series of bonds, for the payment of the principal when the same becomes due, an amount not less than a sum produced by dividing the whole amount for which *the* series or issue of bonds were originally issued by the number of years for which such series or issue of bonds were originally issued to run, as such amounts are shown by the treasurer's statement provided for by 7-7-4264."

(a) Charges shall be computed on unpaid balances of the principal amount outstanding from time to time for the actual time outstanding.

HeinOnline -- 1979 vol. I 525 1979

Each payment shall be applied first to accumulated charges and the remainder of the payment applied to the unpaid principal balance, except that if the amount of the payment is insufficient to pay the accumulated charges, unpaid charges continue to accumulate to be paid from the proceeds of subsequent payments and are not added to the principal balance.

(b) Charges made under this section may not be payable in advance or compounded. However, if part or all of the consideration for a new loan contract is the unpaid principal balance of a prior loan, the principal amount payable under such new loan contract may include any unpaid charges which have accrued. The resulting loan contract is a new and separate loan transaction for all purposes. The principal balance of a prior loan on which charges have been made pursuant to subsections (1) and (2) of 32-5-301 is the balance due after refund or credit is given to the borrower pursuant to subsection (5) of 32-5-301.

(3) For purposes of computing charges for a fraction of a month, a day is considered one-thirtieth of a month.

(4) The provisions of subsections (5) and (6) of 32-5-301 do not apply to loans made under this section.

Section 7. **Codification.** Section 6 is intended to be codified as an integral part of Title 32, chapter 5. (1) The commission may fix seasons, bag limits, possession limits, and season limits; open or close, shorten or lengthen seasons on any species of game, bird, fish, or fur-bearing animal as defined by 87-2-101; and declare areas open to the hunting of deer, antelope, elk, *moose, sheep, and goat* by bow and arrow permit holders and designate times when only bow and arrows may be used to hunt deer, antelope, elk, *moose, sheep, and goat* in those areas. It may declare areas open to deer hunting where shotguns only may be used to hunt or kill deer. It may declare areas open to special license holders only and issue special licenses in a limited number when it determines, after proper investigation, that such a season is necessary to assure the maintenance of an adequate supply of game birds, fish, animals, or fur-bearing animals. It may declare a special season and issue special licenses when game birds or animals or fur-bearing animals are causing damage to private property or when written complaint of such damage has been filed with the commission by the owner of that property. (3) It may divide the state into fish and game districts and create fish, game, or fur-bearing animal districts throughout the state. It may declare closed season for hunting, fishing, or trapping in any of those districts and later may open those districts to hunting, fishing, or trapping.

HeinOnline -- 1979 vol. I 529 1979

(4) It may declare a closed season on any species of game, fish, game birds, or fur-bearing animals threatened with undue depletion from any cause. It may close any area or district of any stream, public lake, or public water or portions thereof to hunting, trapping, or fishing for limited periods of time, when necessary to protect a recently stocked area, district, water, spawning waters, spawn-taking waters, or spawn-taking stations or to prevent the undue depletion of fish, game and fur-bearing animals, and game and nongame birds. It later may open the area or district upon consent of a majority of the property owners affected.

(5) It may declare certain fishing waters closed to fishing except by persons under 13 years of age. The purpose of this subsection is to provide suitable fishing waters for the exclusive use and enjoyment of juveniles under 13 years of age, at times and in areas the commission in its discretion considers advisable and consistent with its policies relating to fishing."

Section 2. Section 87-2-708, MCA, is amended to read:

If the applicant does not make the corrections upon receipt of the notice, the department may refuse to register the article. The department may suspend or cancel the registration of a pesticide whenever it does not appear that the article or its labeling comply with this chapter. Section 4. Section 81-3-211, MCA, is amended to read:

"81-3-211. Inspection of livestock before change of ownership or removal from county — transportation permits. (1) Except as otherwise provided in this part, it is unlawful to remove or cause to be removed from a county in this state any livestock or to transfer ownership by sale or otherwise or for an intended purchaser or his agent to take possession of any such animal subject to title passing upon meeting or satisfaction of any conditions, unless the livestock has been inspected for brands by a state stock inspector or deputy state stock inspector and a certificate of the inspection has been issued in connection with and for the purpose of the transportation or removal or of such change of ownership as provided in this part. The inspection must be made in daylight; provided, however, that the change of ownership inspection requirements of this subsection shall not apply when such sale or change of ownership transaction involves five or less such animals.

(2) It is unlawful to sell or offer for sale at a livestock market any livestock originating within any county in this state in which a livestock market is maintained or transported under a market consignment permit until the livestock has been inspected for marks and brands by a state stock inspector, as provided in this part.

(3) It is unlawful to slaughter livestock at a licensed livestock slaughterhouse unless the livestock have been inspected for marks or brands by a state or deputy state stock inspector.

(4) It is unlawful to remove or cause to be removed any livestock from the premises of a livestock market in this state unless the livestock has been released by a state stock inspector and a certificate of release for the livestock has been issued in connection with and for the purpose of the removal from the premises of the livestock market. The release obtained pursuant to this subsection will permit the movement of the livestock so released directly to the destination shown on the certificate.

(5) The person in charge of livestock being removed from a county in this state, where inspection thereof is required by this section or where change of ownership has occurred or when moved under a market consignment permit or a market release certificate, shall have in his possession the certificate of inspection, market consignment permit, transportation permit, or market release certificate issued in connection therewith and shall exhibit the certificate to any sheriff, deputy sheriff, constable, highway patrolman, state stock inspector, or deputy state stock inspector upon request. Section 81-3-204 shall be extended to livestock transported or sold under the above-mentioned permits.

HeinOnline -- 1979 vol. I 548 1979

(6) The following transportation permits may be issued:

(a) If a saddle, work, or show horse is being transported from county to county in this state by the owner for his personal use or business or where a purebred cow is being transported from county to county in this state by its owner for show purposes and where there is no change of ownership, the inspection certificate required by this section may be endorsed as to the purpose and extent of transportation by the inspector issuing the certificate in order to serve as a travel permit in this state for a period not to exceed 1 year for the horse or cow described thereon. The permit becomes void upon any transfer of ownership or if the horse or cow is to be removed from the state. In such instances an inspection must be secured for removal and the endorsed certificate surrendered.

(b) The owner of a saddle, work, or show horse may apply for a permanent transportation permit valid for both interstate and intrastate transportation of the horse until there is a change of ownership. To obtain a permit a horse must have either a registered brand that has been legally cleared or a lip tattoo or the owner must present proof of ownership to a state stock inspector. A written application, on forms to be provided by the department, must be completed by the owner and presented to a state stock inspector together with a $5 permit fee for each horse. The application shall contain a thorough physical description of the horse and list all brands and tattoos carried by the horse. Upon approval of the application by a state stock inspector, a permanent transportation permit shall be issued by the department to the owner for each horse and such permit shall be valid for the life of the horse. If there is a change of ownership in a horse the permit shall automatically become void. The permit must accompany the horse for which it was issued at all times while the horse is in transit. This permit shall be in lieu of other permits and certificates required under the provisions of this section. The state of Montana shall recognize as valid permanent transportation permits issued in other jurisdictions to the owner of a saddle, work, or show horse subsequently entering the state. Such a permit shall be automatically void upon a change of ownership.

(c) When livestock owned by and bearing the registered brand of a bona fide rodeo producer is being transported from county to county in this state by the owner for rodeo purposes and where there is no change of ownership, the inspection certificate required by this section may be endorsed as to the purpose and extent of transportation by the inspector issuing the certificate in order to serve as a travel permit in this state for the livestock described thereon. The certificate is effective only between April 1 and October 31 of the year for which it is issued. The certificate shall be issued by a state stock inspector.

(d) An owner of livestock or his agent may be issued a transportation permit allowing the movement of his livestock into an immediately adjoining county and return when the livestock is being moved for grazing purposes and when it is being moved to and from land owned or controlled by the owner of the livestock or his agent. The permit is valid for 6 months and must be issued by a state stock inspector. The fee for the permit is $5, which shall be paid to the state stock inspector at the time

HeinOnline -- 1979 vol. I 549 1979

the permit is issued and remitted by him to the department for deposit in the state treasury to the credit of the earmarked revenue fund for the use of the department. This permit may be used in lieu of the inspection and certificate required by this section for movement of livestock across a county line."

Section 5. Section 81-3-213, MCA, is amended to read:

"81-3-213. Inspection of livestock removed from state. Except as provided for in subsections (1) and (2) of 81-3-212 and subsections *(4)* and *(6)*(b) of 81-3-211, nothing contained in this part authorizes or permits a person to remove or cause to be removed livestock from this state to a location outside of this state, unless the livestock has been inspected for brands by a state stock inspector or deputy state stock inspector and a certificate for the inspection has been issued in connection with and for the purpose of the transportation or removal as provided in this part."

The agency's finding and a brief statement of reasons therefor shall be filed with the rule. The agency shall take appropriate measures to make emergency rules known to every person who may be affected by them."

(1) In any case before any court or a grand jury in which a deaf person is a party, either as a complainant, defendant, or witness, the court shall appoint a qualified interpreter to interpret the proceedings to the deaf person and interpret his testimony or statements and to assist in preparation with counsel.

(c) No statement, written or oral, made by a person who is deaf in reply to a question of a law enforcement officer or any other person having a prosecutorial function in any criminal or quasi-criminal proceeding may be used against that deaf person unless either the statement was made or elicited through a qualified interpreter and was made knowingly, voluntarily, and intelligently or, in the case of waiver, the court makes a special finding that any statement made by the deaf person was made knowingly, voluntarily, and intelligently.

(d) This subsection (3) does not apply to apprehensions, arrests, or statements involving a violation of the traffic laws of Montana.

Section 4. **Preliminary determination.** The appointing authority may not appoint a qualified interpreter in any case until he makes a preliminary determination that the qualified interpreter is able to accurately communicate with and translate information to and from the deaf person in the case.

Section 5. **Intermediary interpreter to be used.** If a qualified interpreter states that he is unable to render a satisfactory interpretation and that an intermediary interpreter will improve the quality of interpretation, the appointing authority shall appoint an intermediary interpreter to assist the qualified interpreter subject to the same provisions that govern a qualified interpreter under [this act].

Section 6. **Interpreter in full view.** In any action or proceeding in which an interpreter is required to be appointed, the court or administrative authority may not commence proceedings until the appointed interpreter is in full view of and spatially situated to assure proper communication with the deaf person or persons involved as participants.

HeinOnline -- 1979 vol. I 569 1979

(2) The Montana association of the deaf and the Montana registry of interpreters for the deaf shall provide the department of social and rehabilitation services with a list of qualified and available interpreters.

Section 8. **Oath of interpreter.** Every interpreter appointed to interpret for a deaf person, before entering upon his duties, shall take an oath that he will make a true interpretation in an understandable manner to the person for whom he is appointed and that he will repeat the statements of such person in the English language to the best of his skill and judgment.

Section 9. **Compensation.** An interpreter appointed to interpret for the deaf is entitled to receive a reasonable fee for his services, together with his actual expenses for travel and transportation. The appointing authority shall set the fee. When the interpreter is appointed in a criminal proceeding, the fee shall be paid out of the county general fund; and when the interpreter is otherwise appointed, the fees shall be paid out of funds available to the appointing authority.

Section 10. **Waiver.** The right of a deaf person to an interpreter may not be waived except by a deaf person who requests a waiver in writing. Such waiver is subject to the approval of counsel to the deaf person, if existent, and is subject to the approval of the appointing authority.

Section 11. **Privileged communications.** Any information that the interpreter gathers from the deaf person pertaining to any proceeding then pending shall at all times remain confidential and privileged, on an equal basis with the attorney-client privilege, unless such deaf person desires that such information be communicated to other persons.

Section 12. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.
